# Western Health

Together, caring for the west

## What is the Consumer Carer and Community register?

The Register is a list of individuals who want to work with Western Health on committees, working groups and advisory groups to help us improve our services.

## Who is a consumer?

Consumers can be

- patients
- former patients
- carers,
- family members of patients
- future users of the health services.

## What is consumer participation?

Consumer Participation is when people who use our services can have a say in how they are developed and provided.

## Why is consumer participation important?

When people are involved in decisions that affect them, we achieve better health outcomes and create better services.

## Who can join the Consumer Carer and Community Register?

- Anyone who is not a staff member
- Anyone who lives in the western suburbs
- Anyone with an interest in health issues

- Anyone who is over 18 years of age
- Anyone who has used Western Health's services or is a carer or family member of a patient.

## What is my role as a member of the Consumer Carer & Community Register?

As a consumer you may be involved in

- Providing advice about services
- Reading and commenting on publications
- Contributing to planning, review and evaluation of services
- Assisting with staff education and training
- Speaking to staff or Western Health board members at events

## What will I receive ?

As a member of the register you will receive

- Invitations to provide feedback to Western Health
- Regular Western Health newsletters and publications
- Information about opportunities to participate in Western Health committees, focus groups or consultations
- The opportunity to identify and raise concerns or suggestions.

**Note: If you are on the register and invited to join a Western Health group or participate in an event, this will be an unpaid and voluntary role.**

## Yes I am interested. What do I do now?
