19.5.13 For the purposes of this clause:

19.5.13(a) Medical Scientists classification, criteria definitions, specific weighting factors formula:

19.5.13(a)(i) The following definitions are to be read in conjunction with the award classification standards.

19.5.13(a)(ii) A Department/Section is to be determined by the following specific weighting factors formula.

19.5.13(a)(iii) Factors taken into consideration

The first factor is based on fixed annual salaries, as at 31 December 1989, for each classification divided by 1000. The annual salary is to be exclusive of overtime and any ancillary payments.

19.5.13(a)(iii)(1) The points for each classification are as follows:

- grade 4 = 52.88;
- grade 3 = 44.68;
- grade 2 = 37.60;
- grade I= 32.08;
- Trainee = 21.18.

19.5.13(a)(iii)(2) Other classifications such as technicians (23.72) nursing, short term, part-time and ancillary staff (points determined as above) may also be included at the discretion of the parties on individual merit criteria.

19.5.13(a)(iii)(3) Reporting relationships vary markedly from institution to institution and in some cases have a bearing on the resultant classification of the Scientist in question on direct accountability grounds.

19.5.13(a)(iii)(4) In respect of staff working afternoon, night and/or weekend rosters, the points are to be allocated to the Scientist responsible for their diagnostic supervision. Staff working on rotation (daily, weekly or monthly in different areas) are to be allocated points on a pro rata basis mutually agreed between the persons in charge of the respective areas in which they work and to whom they are responsible. Evidentiary material may be required in the event of a contested application for reclassification.

19.5.13(a)(iv) The second factor is the aspect of “final responsibility” of the Scientist in question. The criteria for the application of 100 points for this responsibility are:

19.5.13(a)(iv)(1) the Scientist is a NATA approved signatory; or

19.5.13(a)(iv)(2) there is no more senior scientific specialist on site; or

19.5.13(a)(iv)(3) there is no clinical specialist on site.

19.5.13(a)(v) The third factor to be applied is to recognise organisational complexity. The term UNIT (which attracts 40 points) is prescriptive in terms of the organisational entity due to the varied usage of the terminology (Department, Section or Unit). This is to ensure a universally applied approach irrespective of local terminology.

19.5.13(a)(v)(1) Each 'Unit' supervised or for which responsibility is taken attracts 40 points and for the purposes of this clause includes Andrology, Biochemistry, Blood Banking, Cardiology, Cardio-Vascular Perfusion, Clinical Pharmacology, Cytogenetics, Cytology, Embryology, Endocrinology, Gastroenterology, Haematology, Histopathology, IVF Sciences, Immunology, Intensive Care, Lung Function, Medical Physics, Microbiology, Neuropathology, Neurophysiology, Physical Sciences, Renal Dialysis, Renal Unit, Tissue Typing, Vascular Unit or Virology.

19.5.13(a)(v)(2) The term Section is applied to other specific areas, other than the abovementioned and is recognised as a single entity in its own right, and will attract twenty points.

19.5.13(a)(vi) The fourth factor is whether or not the institution in which the Scientist is an employee is a teaching hospital. If so a further 100 points is added to the final score.

19.5.13(a)(vi)(1) Note:

- Class 1 Department/unit/section - <200 points;
- Class 2 Department/unit/section - 200 to <480 points;
- Class 3 Department/unit/section - 480 points or more.

19.5.13(a)(vi)(2) The above points may be amended or varied, in whole or part, from time to time by agreement of the Victorian Hospitals Industrial Association and the Health Services Union of Australia, Victoria No. 4 Branch, and may only be amended or varied via a hearing of the Australian Industrial Relations Commission convened for that purpose.

19.5.13(b) The Medical Scientists Award Working Party

The Medical Scientists Award Working Party shall comprise equal representation from employer and employee parties to this Award.

19.5.13(b)(i) The classification of a Scientist Grade III or IV according to the application of the formula will not become operative unless a beneficial reclassification is endorsed by the Award Working Party in the circumstances where the minimum points are exceeded for at least four continuous weeks.

19.5.13(b)(ii) Reclassifications will be dealt with by the Award Working Party by consideration of submissions from employers or employees.

19.5.13(b)(iii) The role of the Award Working Party in this regard is limited to ensuring that the appropriate criteria are met, and endorsement will not be withheld where the appropriate criteria are met.

19.5.13(b)(iv) Where a reclassification is endorsed by the Award Working Party the reclassification shall apply on and from the date at which the employee assumed the relevant duties or the date on which the circumstances first arose entitling the employee to the reclassification.

19.5.13(c) The Medical Scientists Classification Review Committee

19.5.13(c)(i) This committee will process applications for reclassification based on the merit criteria as per this Award. This Committee shall comprise equal representation from employer and employee parties to this Award.

19.5.14 Higher Qualifications

Where a scientist has a higher qualification he/she shall be paid in addition the following:

19.5.14(a) For M.A.A.C.B., Diploma of Bacteriology, M.Sc., M.App.Sc., M.A.I.P., H.G.S.A.C.C., Graduate Diploma in Health Administration (see clause 4.0 - Definitions) or any other recognised equivalent Degree or Diploma from a tertiary institution, the sum of 6.5 per cent of the "Scientist Grade I, 1st year of experience" rate per week;

19.5.14(b) For F.A.A.C.B., F.A.I.M.L.S., D.Sc., Ph.D., F.A.I.P. or F.I.M.L.S. or Member of the Royal College of Pathologists (see sub-clause 4.0 - Definitions) the sum of 10 per cent of the "Scientist Grade I, 1st year of experience" rate per week.

19.5.14(c) Such allowance shall not be cumulative in the case of multiple higher qualifications. The aforementioned allowance shall not be applicable to Scientists appointed to the positions of Director or Deputy Director of a Department or to the classification Scientist - Grade V.

PART 9 - ACCIDENT PAY, CLOTHING, EQUIPMENT AND TOOLS ALLOWANCES

38. ACCIDENT PAY

38.1 An employer shall pay and an employee shall be entitled to receive accident pay in accordance with this clause.

38.2 Definitions

For the purposes of this clause, the following definitions shall apply:

38.2.1 **Act** means the *Workers Compensation Act (Victoria) 1958* as amended from time to time, or in respect of an injury occurring on or after 4.00 p.m. on the 1st September, 1985, the *Accident Compensation Act (Victoria) 1985* as amended from time to time.

38.2.2 **Injury** means any physical or mental injury within the meaning of the Act, and no injury shall give rise to an entitlement to accident pay under this clause unless an entitlement exists under the Act.

38.3 Total incapacity

Where an employee is or is determined to be totally incapacitated within the meaning of the Act, the term **accident pay** means a weekly payment of an amount representing the difference between:

38.3.1 the total amount of compensation, paid to the employee during the period of incapacity under the Act for the week; and

38.3.2 the total weekly award rate, as varied from time to time, and any over award payment being paid to the employee at the date of the injury and which would have been payable for the employee's classification for the week in question if they had been performing their normal duties, provided that in making such calculation any payment for overtime earnings, shift premiums, penalty rates and any ancillary payment payable by the employer shall not be taken into account.

38.4 Partial incapacity

Where an employee is partially incapacitated within the meaning of the Act, the term **accident pay** means a weekly payment of amount representing the difference between:

38.4.1 the total amount of compensation paid to the employee during the period of incapacity under the Act for the week together with the average weekly amount they are earning

38.4.2 the total weekly award rate, as varied from time to time, and any weekly over award payment being paid to the employee at the date of the injury and which would have been payable for the employee's classification for the week in question if they had been performing their normal duties, provided that:

38.4.2(a) in making such calculation any payment for overtime earnings, shift premiums, penalty rates and any other ancillary payment payable by the employer shall not be taken into account.

38.5 Payment for part of a week

Where an employee is totally incapacitated or partially incapacitated for part of a week, such an employee shall receive pro rata accident pay for that part of the week. That is, the employee shall be paid his/her ordinary pay, for that part of the week in which he/she worked or was on paid leave. For the part of the week that he/she is incapacitated or partially incapacitated, the employee shall be paid an amount equal to the difference between the amount he/she would have earned for the part of the week if he/she had been performing his/her normal duties and the amount of compensation paid to the employee under the Act for the part of the week he/she was incapacitated.

38.6 Qualifications for payment

Subject to the terms of this clause, an employee covered by this award shall, upon receiving payment of weekly compensation and continuing to receive such payment for incapacity under the Act, be paid accident pay by their employer who is liable to pay compensation under the Act, which liability may be discharged by another person on behalf of the employer, provided that:

38.6.1 Accident pay shall not apply to any incapacity occurring during the first two weeks of employment unless such incapacity continues beyond the first two weeks and then, subject to 38.6.3 and to the maximum period of payment prescribed elsewhere herein, accident pay shall apply only to the period of incapacity after the first two weeks.

38.6.2 Accident pay shall only be payable to an employee whilst that employee remains in the employment of the employer by whom they were employed at the time of the incapacity and then only for such period as they received a weekly payment under the Act. Provided that if an employee who is partially incapacitated cannot obtain suitable employment from their employer but such alternative employment is available with another employer then the relevant amount of accident pay shall still be payable.

38.6.2(a) Provided further that in the case of the termination by an employer of an employee who is incapacitated and receiving accident pay, accident pay shall continue to apply subject to the provisions of this clause except in those cases where the termination is due to serious and/or wilful misconduct on the part of the employee.

38.6.2(b) In order to qualify for the continuance of accident pay on termination an employee shall if required provide evidence to the employer of the continuing payment of weekly payments of compensation.

38.6.3 Subject to this clause, accident pay shall not apply in respect of any injury during the first five normal working days of incapacity. Provided however that in the case of an employee who contracts an infectious disease in the course of duty and is entitled to receive compensation for that disease shall receive accident pay from the first day of incapacity.

38.6.4 In relation to industrial diseases contracted by a gradual process or injury subject to recurrence, aggravation, or acceleration, such injuries or diseases shall not be subject to accident pay unless the employee has been employed with the employer at the time of the incapacity for a minimum period of one month.

38.6.5 On engagement, an employee may be required to declare all workers compensation and/or accident claims made under the Act in the previous five years and in the event of defaults or inaccurate information being deliberately and knowingly declared the employer may require the employee to forfeit their entitlement to accident pay under this award.

38.7 Maximum period of payment

The maximum period or aggregate period of accident pay to be made by the employer shall be a total of 26 weeks for any one injury as defined in 38.2, provided that in respect of an employee receiving or entitled to receive accident pay on or after 1 January 1981, the maximum period or aggregate of periods shall be a total of 39 weeks for any one injury as defined.

38.8 Absences on other than paid leave

An employee shall not be entitled to the payment of accident pay in respect of any period of paid annual leave, or long service leave or for any paid public holiday in accordance with the appropriate award provisions.

38.9 Notice of injury

Following an injury for which they claim to be entitled to receive accident pay, an employee shall give notice in writing of the injury to their employer as soon as reasonably practicable after the occurrence thereof, provided that such notice may be given by a representative of the employee.

38.10 Medical examination

38.10.1 In order to receive an entitlement to accident pay an employee shall meet the requirements of the Act for attending medical examinations.

38.10.2 Where, in accordance with the Act, a medical referee gives a certificate as to the condition of the employee and their fitness for work or specifies work for which the employee is fit and such work is made available by the employer, and is refused by the employee or the employee fails to commence the work, accident pay shall cease from the date of such refusal or failure to commence the work.

38.11 Cessation or redemption of weekly payments

Where there is a cessation or redemption of weekly compensation payments under the Act, the employer's liability to pay accident pay shall cease as from the date of such cessation or redemption.

38.12 Civil damages

- 38.12.1** An employee receiving or who has received accident pay shall advise their employer of any action they may institute or any claim they make for damages. Further, the employee shall, if requested, provide an authority to the employer entitling the employer to a charge upon any money payable pursuant to any judgement or settlement on that injury.
- 38.12.2** Where an employee obtains a judgement or settlement for damages in respect of an injury for which they have received accident pay the employers liability to pay accident pay shall cease from the date of such judgement or settlement, provided that if the judgement or settlement for damages is not reduced either in whole or part by the amount of accident pay made by the employer, the employee shall pay to the employer any amount of accident pay already received in respect of that injury by which the judgement or settlement has not been so reduced.
- 38.12.3** Where an employee obtains a judgement or settlement for damages against a person other than the employer in respect of an injury for which he or she has received accident pay, the employers liability to pay accident pay shall cease from the date of such judgement or settlement, provided that if the judgement or settlement for damages is not reduced either in whole or part by the amount of accident pay made by the employer, the employee shall pay to the employer any amount of accident pay already received in respect of that injury by which the judgement or settlement has not been so reduced.

38.13 Insurance against liability

Nothing in this award shall require an employer to insure against liability for accident pay.

38.14 Variations in compensation rates

Any changes in compensation rates under this Act shall not increase the amount of accident pay above the amount that would have been payable had the rates of compensation remained unchanged.

38.15 Death of an employee

All rights to accident pay shall cease on the death of an employee.

38.16 Commencement

This clause shall only apply in respect of incapacity arising from any injury occurring or recurring on or after 22 September 1975.

39 CLOTHING, EQUIPMENT AND TOOLS ALLOWANCES

39.1 Telephone allowance

Where an employer requires an employee to install and or maintain a telephone for the purposes of being on call the employer shall reimburse the installation costs and the subsequent six monthly rental charges on production of receipted accounts.

39.2 Uniform allowance

39.2.1 The employer shall reimburse the cost of a minimum of two washable coats per week. However, where Pharmacists are provided with minimum of two washable coats per week, the allowance shall not apply. Where a Locum is required to provide his or her own coats the employer shall reimburse the laundering cost to the locum, except where the laundering is arranged by the employer at the employer's cost.

39.2.2 Where the employer requires an employee to wear any special clothing, the employer must pay the uniform allowance prescribed by this clause for purchasing such clothing. The provisions of this clause do not apply where the special clothing is paid for by the employer.

39.2.3 Special clothing shall remain the property of the employer. If the employee is responsible for laundering it the employer must pay the laundry allowance prescribed by 39.2.4. This allowance is not payable where the employer launders and maintains the special clothing.

39.2.4 In lieu of the provision of special clothing the employer may, by agreement with the employee, pay such employee a uniform allowance at the rate of 88 cents per day or part thereof on duty or \$4.40 per week whichever is the lesser amount. Where such employee's uniforms are not laundered by or at the expense of the employer, the employee shall be paid a laundry allowance of 21 cents per day or part thereof on duty or \$1.06 per week which ever is the lesser amount.

39.2.5 The uniform allowance but not the laundry allowance shall be paid during all absences on leave, except absences on long service leave and absence on sick leave beyond 21 days. Where, prior to the taking of leave, an employee was paid a uniform allowance other than at the weekly rate, the rate to be paid during absence on leave shall be the average of the allowance paid during the four weeks immediately preceding the taking of leave.

39.2.6 Where it is necessary that an employee be provided with rubber gloves, protective clothing and safety appliances, the employer must reimburse the employee for the cost of purchasing such clothing. The provisions of this clause do not apply where the protective clothing is supplied to the employee at the employer's expense.
