VICTORIAN PUBLIC MENTAL HEALTH SERVICES ENTERPRISE AGREEMENT 2020-2024

Health and welfare services

DEPUTY PRESIDENT YOUNG

MELBOURNE, 17 JUNE 2022

*Application for approval of the Victorian Public Mental Health Services Enterprise
Agreement 2020-2024*

[1] The Victorian Hospitals' Industrial Association (VHIA) has made an application for approval of an enterprise agreement known as the *Victorian Public Mental Health Services Enterprise Agreement 2020-2024* (the Agreement) pursuant to s 185 of the *Fair Work Act 2009* (the Act). The Agreement is a single-enterprise agreement.

[2] The VHIA has requested that the Commission exercise the discretion available to it under s 586(a) of the Act to allow a correction or amendment to the proposed Agreement. The correction involves an amendment to pay rates for Grade 2 (Year 1 to 4) UG1 Health Professionals and the pay rate for the classification of Level 3 Year 3 Experience Worker. The VHIA submits that the pay rates for the Grade 2 (Year 1 to 4) UG1 Health Professionals and for Level 3 Year 3 Experience Worker classification from the first pay period after 1 July 2024 contained in the Agreement were incorrect and did not reflect the rates of pay agreed to by the parties.

[3] I am satisfied that it is appropriate for the Commission to exercise the discretion available to it to correct the Agreement in the manner proposed on the basis that the correction is administrative in nature only, and simply to ensure the Agreement accurately reflects what was agreed to and approved by the parties and the employees who voted to approve the Agreement.

[4] The VHIA has provided a revised copy of the Agreement that contains the amended pay rates. It will now be published on the Commission's website.

[5] The VHIA has provided written undertakings. A copy of the undertakings is attached at Annexure A. I am satisfied that the undertakings will not cause financial detriment to any employee covered by the Agreement and the undertakings will not result in substantial changes to the Agreement. The undertakings are taken to be a term of the Agreement.

[6] Subject to the undertakings referred to above, on the basis of the material contained in the application, the accompanying statutory declaration and the additional information provided by VHIA, I am satisfied that each of the requirements of ss 186, 187, 188 and 190 as are relevant to this application for approval have been met.

[7] The Australian Nursing and Midwifery Federation and the Health Services Union, being bargaining representatives for the Agreement, have both given notice under s 183 of the Act that they seek to be covered by the Agreement. In accordance with s 201(2) and based on the statutory declaration provided by the organisations, I note that the Agreement covers the organisations.

[8] The Agreement was approved on 17 June 2022 and, in accordance with s 54, will operate from 24 June 2022. The nominal expiry date of the Agreement is 31 December 2024.

- (b) for an Employee who has a current work capacity [partial incapacity] the amount of accident make up pay is determined by first calculating the salary that the Employee would have received under this Agreement had the Employee performed normal duties during that week (including any over award payments but excluding shift, overtime payments, penalty rates or other similar payments), then deducting any amount the Employee earns from undertaking suitable alternative employment (whether that employment is with the Employer upon whom liability falls under this clause or another Employer) and then deducting the amount the Employee receives in weekly payments in accordance with the WIRC Act for that week.
- (c) where an Employee is incapacitated, either totally or partially, for part of a week, such an Employee shall receive pro rata accident pay for that part of the week.

30.7 No obligation to increase the level of accident make up pay

An Employer is not liable to increase the amount of accident make up pay to an Employee in the event that weekly payments made to the Employee under the WIRC Act are reduced in accordance with the WIRC Act in respect of the injury for which weekly payments are made.

- (c) In the event that salary packaging ceases to be an advantage to the Employee (including as a result of subsequent changes to *Fringe Benefits Tax Act 1986* (Cth) legislation), the Employee may elect to convert the amount packaged to salary. - 37.1 Despite the overtime provisions of this Agreement, if an Employee works on a shift during which time changes because of the introduction of, or cessation to, daylight saving, that Employee will be paid for the actual hours worked at the ordinary time rate of pay.

Example:

An Employee is rostered to work a ten hour night shift from 9pm through to 7:30am (including a 30 minute meal break). During the course of this shift, the clock is wound forward one hour due to the commencement of daylight saving.

The Employee therefore works nine hours. The Employee is paid nine hours at their ordinary time rate of pay (including any shift penalties or allowances ordinarily payable in respect of this shift).

Example:

An Employee is rostered in a ten hour night shift from 9pm through to 7.30am (including a 30 minute meal break). During the course of this shift, the clock is wound back one hour due to the cessation of daylight saving.

- 39.5 The leave under this clause will be paid up to 2 weeks, save that approval of paid leave is subject to the operational requirements of the Employer resulting from any emergency.
- 39.6 Nothing in this clause limits the ability of an Employee to be absent from employment for engaging in eligible community service activity in accordance with Division 8 of the FW Act.
- 39.7 Nothing in this clause prevents an Employee from applying for a flexible working arrangement to assist their ability to respond to a watch and wait situation. Note: Under the Act, an employee who engages in an eligible community service activity is entitled to be absent from employment without pay (or in some circumstances, with pay). The relevant period consists of time engaged in the community service activity, reasonable travel time and reasonable rest time. Eligible community service activity means jury service, a voluntary emergency service management activity (such as voluntary work relating to an emergency or natural disaster when performed for a recognised emergency management body - as defined), or an activity prescribed from time to time. There are particular notice requirements so that the employer is advised of the forthcoming absence and how long it is expected to last. Were the employee not on Defence Service leave in that pay period they would have worked on Sunday and Monday of each week of the pay period. Part 2 - Long service leave for Group A and Group B Employees

47.3 Application of Part 2

This part (clauses 47.3 - 47.11) applies to Group A Employees and Group B Employees only.

47.4 Entitlement

- (a) Subject to clause 47.6, Employees are entitled to:
- (i) six months' long service leave on completion of fifteen years of Continuous Service; and
 - (ii) thereafter an additional two months' long service leave on completion of each additional five years of Continuous Service.
- (b) Subject to clause 47.6(c), an entitlement under clause 47.4(a)(i) may be taken in advance on a pro rata basis if the Employee has accrued Continuous Service of at least:
- (i) 10 years as at the date on which this Agreement is approved by the Fair Work Commission; or
 - (ii) from 1 July 2021, 9 years; or
 - (iii) from 1 July 2022, 8 years; or
 - (iv) from 1 July 2023, 7 years.

47.5 Calculating Continuous Service

- (a) Definitions:
- (i) **Continuous Service** means continuous service with the same Employer plus any prior service of six months or more with one or more Institutions or Statutory Bodies.
 - (ii) **Continuous Casual Employment** means, for the purpose of clause 47.5(b), a period or periods of casual Service that are taken to be continuous, because one of the following applies:
 - A. the period starting at the end of a particular instance of employment and ending at the start of another particular instance of employment did not exceed the either allowable period of absence, or 12 weeks (whichever is greater); or
 - B. the Employee had been employed by an Employer on a regular and systematic basis and the Employee had a reasonable expectation of being re-engaged by the same Employer; or
 - C. the gap between engagements was due to the terms of engagement of the casual Employee; or
 - D. the gap between engagements was caused by seasonal factors; or
 - E. the Employee and Employer agreed, before the start of an absence, to treat the employment as continuous despite the absence.
- (b) **Periods that count towards Continuous Service**
- Service or prior Service during the following periods will be deemed to be continuous and will count as Continuous Service for the purpose of subclause (a):

- (i) an absence from work on any form of paid leave (e.g. annual leave, personal leave, long service leave and paid parental leave);
- (ii) any interruption or ending of employment by the Employer if made with the intention of avoiding obligations in respect of long service leave or annual leave;
- (iii) any absence on account of illness or injury arising out of or in the course of the employment for a period during which an Employee is receiving accident pay under clause 30 (Accident Make-Up Pay);
- (iv) any absence from employment on defence service in accordance with section 8 of the *Defence Reserve Service (Protection) Act 2001* (Cth);
- (v) a period of absence on community service leave under the Act;
- (vi) in the case of unpaid absences not otherwise referenced in this subclause, subject to clause 47.11:
 - A. any unpaid leave that is authorised in advance in writing by the Employer to count as service; or
 - B. up to (and including) 30 June 2020 , any unpaid absence from work of not more than fourteen days in any year on account of illness or injury; or
 - C. on and from 1 July 2020:
 - 1) any period of unpaid leave taken on account of illness or injury;
 - 2) a period of Parental Leave, including Parental Leave that is extended under clause 50.12; and
 - 3) the first 52 weeks of any other type of unpaid leave not specifically referenced in this subclause 47.5(b)(iv);
- (vii) in the case of a casual Employee, a period of Continuous Casual Employment, noting that there will be portability of such service between any Employer, Statutory Body and Institution in accordance with clauses 47.7(c) and 47.23; and
- (viii) prior Continuous Casual Employment as a Group C Employee that was either:
 - A. with the current Employer; or
 - B. with one or more Institutions or Statutory Bodies directly associated with such Institutions, provided that the Employee was an Award-entitled Employee at the time their employment with the other Institution or associated Statutory Body was terminated,

save that if long service leave was already taken or paid in lieu in respect of any such period, no further benefit to long service leave will arise in respect of that period.

(c) **Periods that do not break Continuous Service, but do not count towards Continuous Service**

Unless otherwise agreed in writing in advance between the Employer and Employee, the following periods do not break Continuous Service but do not count towards an employee's Continuous Service for the purpose of calculating the employee's long service leave entitlement:

- (i) any authorised period of unpaid leave not referred to in sub-clause 47.5(b);

- (ii) subject to the requirements of the FW Act, any interruption arising directly or indirectly from an industrial dispute;
- (iii) any period between the engagement with one Institution or Statutory Body and another provided it is less than the allowable period of absence from employment;
- (iv) the dismissal of an employee if the employee is re-employed by the same Employer within a period not exceeding two months from the date of such dismissal;
- (v) any absence on account of injury arising out of or in the course of her/his employment not covered by a period in which A Group A Employee or Group B Employee is receiving accident make up pay or other paid leave;
- (vi) any unpaid absence of not more than 24 months for the sole purpose of undertaking a course of study related to nursing or midwifery where the written approval of the Employer is given; and
- (vii) any absence from work of an Employee for a period not exceeding twelve months in respect of any pregnancy or adoption not covered by 47.5(b)(i) or 47.5(b)(vi).

47.6 Taking of leave

(a) When leave is to be taken

Long service leave will be granted by the Employer within six months from the date of the entitlement arising under clause 47.4(a) save that:

- (i) long service leave may be postponed to a mutually agreeable date;
- (ii) if agreement cannot be reached, the date will be determined by a member of the Fair Work Commission provided that such a determination will not require leave to commence before six months from the date of such determination; and
- (iii) leave the subject of approval or grant under clause 47.6(c) shall be taken in accordance with the terms of the application or agreement.

(b) How leave is to be taken

Long service leave will be taken:

- (i) in one or more periods, with each period being not less than 1 week; or
- (ii) where it is taken as part of a transition to retirement arrangement, any other way agreed upon by the Employer and Employee.

(c) Long service leave in advance

- (i) If a Group A Employee or Group B Employee has completed ten years' Continuous Service, an Employer may, by agreement with the Employee, grant long service leave in advance on a pro rata basis.
- (ii) Supplementary to subclause 47.6(c)(i), if a Group A Employee or Group B Employee requests to take long service leave on a pro rata basis under clause 47.4(b), the Employer must grant the Employee's request to take long service leave as soon as practicable after receiving the request unless the Employer has reasonable business grounds for refusing the request.

(d) Flexible taking of leave: double leave at half pay

- (i) An Employer may approve an application by an Employee to take double the period of long service leave at half pay.
- (ii) Employees should seek independent advice regarding the taxation and superannuation implications of seeking payment under this subclause

47.6(d). The Employer will not be held responsible in any way for the cost or outcome of any such advice.

- (iii) The Employer, if requested by the Employee, will provide information as to the amount of tax the Employer intends to deduct where payment of long service leave is sought under clause 47.6(d)(i).
- (iv) If granting the request under this sub-clause would result in an additional cost to the Employer, the Employer may refuse the Employee's request.
- (v) Flexible taking of long service leave does not affect an Employee's period of continuous service recognised. For example, an Employee taking 12 months at half pay will, for the purpose of calculating continuous service, have six (6) months of continuous service recognised. An Employee taking three (3) months at double pay will have 6 months of continuous service recognised. In either case service will not be broken.

47.7 Payment on termination of employment

(a) Interpretation

For the purposes of this clause 47.7, termination of employment has its ordinary meaning, provided that:

- (i) it is taken to occur upon conversion from full-time or part-time employment to casual employment; and
- (ii) it is not taken to occur at the cessation of each shift as a casual Employee.

(b) Basic entitlement at termination of employment

Except where an election is made under clause 47.7(c) below, an Employee is entitled to payment in lieu of untaken long service leave upon termination of employment (equal to one thirtieth of the period of Continuous Service less any long service leave taken), as follows:

- (i) For Group A Employees:
 - A. if, as at the termination date, the Employee's period of Continuous Service is not less than four years and the termination occurred for any reason other than the Employee's behaviour; or
 - B. if the Employee would have otherwise been entitled to take long service leave under clause 47.4.
- (ii) For Group B Employees if, as at the termination date, the Employee would have been entitled to take long service leave under clause 47.4.

(c) Election for payment of entitlement or transfer of entitlement at termination

- (i) An Employee who has an entitlement to take long service leave on a pro rata basis under clause 47.4(b) (who therefore has less than 15 years continuous service) and who intends to be re-employed by another Institution or Statutory Body may:
 - A. request in writing that payment for accrued long service leave be deferred until after the Employee's allowable period of absence (as defined above) has expired; and
 - B. where the Employee notifies the initial Employer in writing within the allowable period of absence that the Employee has been employed by such an employer, and the re-employment meets the criteria set out in in subclause 47.7(c)(iii) below, the initial Employer is no longer required to make payment to the Employee in respect of such service.

- (ii) Where the notice referred to at 47.7(c)(i)B is not provided prior to or within the allowable period of absence the Employer will, upon the expiration of the allowable period of absence, make payment in lieu of long service leave as per subclause 47.7(b).
- (iii) For the purposes of this subclause, re-employment by *another Institution or Statutory Body* means employment as a Group A Employee or Group B Employee.
- (iv) For the removal of doubt, an Employee may not make an election under this subclause (c) unless:
 - A. the Employee has an entitlement to take long service leave under clause 47.4(a); and
 - B. if the receiving employer is not covered by this Agreement, that receiving employer has agreed to the transfer.
- (d) **Payment in lieu of long service leave on the death of an Employee**

Where an Employee dies while still in the employ of the Employer, payment in lieu of long service leave will be made to the Employee's personal representative in accordance with clause 47.7(b) above.

47.8 Public holidays and Accrued Days Off

See also clauses 104, 145, 197, 236 and 237 (Public Holidays) and 177 and 218 (Accrued Days Off).

Long service leave is inclusive of any public holiday or ADO occurring during the period when leave is taken.

47.9 Proof of sufficient aggregate of service

The onus of proving a sufficient aggregate of service to support a claim for any long service leave entitlement will at all times rest upon the Employee concerned. A Certificate of Service in accordance with Schedule 9 will constitute acceptable proof.

47.10 No entitlement arising for periods of leave already taken

For the removal of doubt, where an Employee makes an election under clause 47.7(c) such that their previous service is recognised by the new Employer, the Employee's previous employer is no longer liable to make any payment in lieu of that employee's service.

47.11 Transitional Arrangements for Parental Leave taken after 1 November 2018 and before the commencement date of this Agreement

Note 1: Unpaid Parental Leave taken prior to 1 November 2018 does not count as Continuous Service unless otherwise agreed, per clause 47.5(b)(vi)A.

Note 2: Unpaid Parental Leave taken after the commencement date of this Agreement will constitute Continuous Service, per clause 47.5(b)(vi)C.2).

- (a) As an exception to clause 47.5(b), an Employee who took a period of unpaid Parental Leave that included any part of the period between 1 November 2018 and the commencement date of this agreement (inclusive) may make an application to the Employer to have that service recognised for Long Service Leave purposes. The Employer will approve the application and provide to the Employee an updated Certificate of Service reflecting the adjusted service arrangements.
- (b) An Employee electing to make an application under 47.11(a) must make the application to the Employer no later than 6 months of the following (whichever occurs last):
 - (i) the date on which this Agreement commences; or
 - (ii) the date on which the Employee returns to work after the qualifying period of unpaid Parental Leave.

- (c) This clause 47.11 shall also apply to an Employee in respect of a former Employer if the Employee took a qualifying unpaid period of Parental Leave under this clause while employed by that former Employer.

Part 3 - Long service leave for Group C Employees

47.12 Application of Part 3

A Group C Employee shall be entitled to long service leave with ordinary pay in accordance with this Part 3 (clauses 47.12 - 47.19).

47.13 Interpretation

For the purposes of this Part 3:

- (a) **One Employer** has the meaning given in section 11 of the LSL Act;
- (b) **Continuous employment** has the meaning given in section 12 of the LSL Act;
- (c) **Ordinary pay** has the meanings given in sections 15, 17 and 21 of the LSL Act; and
- (d) **Normal weekly hours** has the meaning given in sections 16 and 17 of the LSL Act.

47.14 Entitlement

At any time after completing 7 years of continuous employment with one Employer, an Employee is entitled to an amount of long service leave on ordinary pay equal to 1/60th of the Employee's total period of continuous employment less any period of long service leave taken during that period.

47.15 Taking of leave

(a) **When leave is to be taken**

In accordance with s.18(2) of the LSL Act, an Employer must grant an Employee's request to take long service leave as soon as practicable after receiving the request unless the Employer has reasonable business grounds for refusing the request.

(b) **How leave is to be taken**

In accordance with s.18(1) of the LSL Act, an Employee may request to take long service leave for a period of not less than 1 day.

(c) **Long service leave in advance**

- (i) Subject otherwise to this Part 3 and in accordance with s.8(1) of the LSL Act, an Employer may agree to an Employee taking long service leave prior to them completing 7 years of continuous employment and at any time before they become entitled to long service leave.
- (ii) If an Employee takes long service leave in advance and the Employee's employment ends before the entitlement to the leave would otherwise have accrued:
 - A. the amount paid for the proportion of leave which the Employee will not become entitled becomes an amount owed by the Employee to the Employer;
 - B. the Employer may deduct this amount from any payment owed to the Employee as a result of the ending of employment; and
 - C. the relevant period of service will not count as a period in respect of which long service leave has already been taken (or paid in lieu) for the purpose of clause 47.5(b) above (Periods that count towards Continuous Service for Group A and Group B Employees).

(d) **Flexible taking of leave: double leave at half pay**

- (i) An employee may request an Employee to take double the period of long service leave at half pay.
- (ii) An Employer must grant such a request unless:
 - A. granting the request would result in an additional cost to the Employer; or
 - B. the Employer otherwise has reasonable business grounds for refusing the request.
- (iii) Employees should seek independent advice regarding the taxation and superannuation implications of seeking payment under this subclause 47.15(d). The Employer will not be held responsible in any way for the cost or outcome of any such advice.
- (iv) The Employer, if requested by the Employee, will provide information as to the amount of tax the Employer intends to deduct where payment of long service leave is sought under this subclause.

47.16 Payment on termination of employment**(a) Basic entitlement at termination of employment**

An Employee with seven or more years of continuous employment is entitled to payment in lieu of untaken long service leave upon termination of employment, calculated at 1/60th of the period of continuous employment.

(b) Payment in lieu of long service leave on the death of an Employee

Where an Employee has completed at least seven years' continuous employment and dies while still in the employ of the Employer, payment in lieu of long service leave will be made to the Employee's personal representative equal to that in clause 47.16(a) above.

47.17 Public holidays & Annual leave

Long service leave does not include any public holiday occurring, or annual leave taken, during the period when the long service leave is taken.

47.18 No entitlement arising for periods of leave already taken

For the removal of doubt, no entitlement to long service leave (or payment in lieu) arises in respect of continuous employment for which long service leave has already been taken or payment in lieu of leave has been received.

47.19 Other terms and conditions necessary for this Part

Any other term or condition necessary for the operation of this Part shall be in accordance with the applicable term or condition in the LSL Act.

Part 4 - Common conditions applicable to all Employees**47.20 Payment for period of leave**

- (a) Payment will be made in one of the following ways:
 - (i) in full advance when the Employee commences his/her leave;
 - (ii) at the same time as payment would have been made if the Employee had remained on duty; or
 - (iii) in any other way agreed between the Employer and the Employee.
- (b) Where an Employee has been paid in advance, and an increase occurs in the ordinary time rate of pay during the period of long service leave taken, the Employee will be entitled to receive payment of the amount of any increase in pay at the completion of such leave.

47.21 Records

The Employer will keep a long service leave record for each Employee, containing particulars of service, leave taken and payments made.

47.22 Transfer of business

Where a Transfer of Business occurs, an Employee who worked with the old Employer and who continues in the service of the new Employer will be entitled to count their service with the old Employer as service with the new Employer for the purposes of this clause.

47.23 Concurrent Service

- (a) Subject to subclause (b), concurrent service with two or more Employers remains separate and distinct.
- (b) If a full-time or part-time Group A or Group B Employee transfers from an Employer (the first Employer) to another employer (the new employer) into an equivalent full-time or part-time role, but retains concurrent employment with the first Employer as a casual Employee, then:
 - (i) if
 - A. the new employer is an Employer or another Institution or Statutory Body; and
 - B. the new employer has agreed (or is required) to recognise the Employee's service with the first Employer for long service leave purposes; and
 - C. the Employee notifies the first Employer of the transfer in accordance with sub-clause 47.7(c) (Election for payment of entitlement or transfer of entitlement at termination),

the first Employer will no longer be liable for the service, and the long service leave liability for the service will transfer to the new Employer.
 - (ii) Any casual service that occurs with the first Employer after the transfer referred to in (i) above will be considered separate and distinct service on and from the date on which the employee commenced employment with the new Employer, provided that:
 - A. the qualifying period required to accrue an entitlement to long service leave with the first Employer does not reset (that is, the Employee's prior service with the first Employer can be counted when calculating any future entitlement to long service leave with the first Employer);
 - B. no benefit to long service leave will arise with the first Employer in respect of the prior period of employment with the first Employer; and
 - C. the Employee's prior service with the first Employer is to be disregarded when calculating the Employee's normal weekly hours with the first Employer (e.g. for the purpose of sections 16 and 17 of the LSL Act).
 - (iii) If the employee is not entitled to transfer their service from the first Employer to the new Employer, or does not take the steps required in sub-clause 47.7(c) within the allowable period of absence, the first Employer will make payment in lieu of long service leave for the Continuous Service with the first Employer upon ceasing permanent employment with the first Employer (under clause 47.7(b) - Basic entitlement at termination of employment):

Example 1:

A Group B Employee is employed at the same time by Employer A, and Employer B.

The Group B Employee accrues service towards long service leave at each of Employer A and Employer B.

If the Employee had been employed by Employer A for 11 years and Employer B for 6 years, the Employee can take LSL from Employer A, but would need to continue working at Employer B until sufficient Continuous Service had accrued.

If the Employee resigned from both Employer A and Employer B, and went to work for Employer C, the Employee could:

- (a) transfer the 6 years' service with Employer B to Employer C; and
- (b) have the accrued LSL from the 11 years' service with Employer A paid out in lieu on termination.

Example 2:

A Group A Employee has worked for Employer A for 6 years. The Employee commences employment with Employer B as a full-time Employee. To take up this opportunity, the Employee ceases permanent employment with Employer A. However, the Employee commences a casual employment relationship with Employer A within 12 weeks after resigning from their permanent position with Employer A.

The Employee:

- (a) will be paid in lieu of 6 years' service with Employer A (in accordance with clause 39.7(b)(i)B.) unless a valid election is made to transfer the 6 years' service with Employer A to Employer B. If a valid election is made, the Employee would be eligible to take LSL with Employer B once sufficient Continuous Service had accrued (taking into account the transferred service); and
- (b) could take LSL on a pro rata basis with Employer A after sufficient Continuous Service had accrued, save that if a valid election was made to transfer the Employee's initial service to Employer B, no entitlement would arise in respect of that period with Employer A.

47.24 Savings

- (a) Clause 47.23(b) shall not apply to an Employee classified as a Health Information Manager, Play Therapist, or an Employee of Royal Melbourne Hospital classified under Schedule 6, unless the Industrial Division of the Magistrates Court provides an opinion that determines generally the rights of applicable Employees under this Agreement under sub-section 23(2) of the LSL Act that the long service leave entitlements provided by this Agreement are more favourable to the relevant employees than those provided by the LSL Act.;
- (b) The Unions and VHIA must make an application to the Magistrates Court under section 24 of the LSL Act for an opinion referred to in section 4.6(a) as soon as reasonably practicable after the Agreement has been approved by the Fair Work Commission.
- (c) No Employee shall otherwise suffer any detriment as a result of the operation of this clause to their entitlement to long service leave existing immediately prior to the coming into force of this clause

48. Pre-Adoption Leave

- 48.1** An Employee seeking to adopt a child is entitled to unpaid leave for the purpose of attending any compulsory interviews or examinations as are necessary as part of the adoption procedure.
- 48.2** The Employee and the Employer should agree on the length of the unpaid leave.

- 48.3** Where agreement cannot be reached, the Employee is entitled to take up to two days unpaid leave.

49. Pre-natal Leave

- 49.1** An Employee required to attend pre-natal appointments or parenting classes that are only available or can only be attended during the Employee's ordinary rostered shift may, subject to the provision of satisfactory evidence of attendance, access their personal leave credit.
- 49.2** The Employee must give the Employer prior notice of the Employee's intention to take such leave.

 - (v) An Eligible Employee may take Flexible Long Parental Leave after taking one or more periods of unpaid Long Parental Leave under subclause 50.3(b) only if the total of those periods (disregarding any extension under sub-clause 50.11 or 50.12) is no longer than 12 months, less the employee's Notional Flexible Period, provided that the calculation is based on the assumption that:
 - A. the Eligible Employee ordinarily works each day that is not a Saturday or Sunday; and
 - B. there are no public holidays during the period.

- (vi) A member of an Employee Couple (*the first employee*) may take Flexible Long Parental Leave on the same day as the other member of the Employee Couple (*the other employee*) is taking unpaid Long Parental Leave only if the total of all periods of unpaid parental leave the first employee takes at the same time as the other employee is no longer than 8 weeks.
- (h) **Hospitalised children – agreement to not take unpaid Long Parental Leave**
 - (i) If:
 - A. a Child is required to remain in hospital after the Child's birth, or is hospitalised immediately after the Child's birth, including because:
 - 1) the Child was born prematurely; or
 - 2) the Child developed a complication or contracted an illness during the child's period of gestation or at birth; or
 - 3) the Child developed a complication or contracted an illness following the Child's birth; and
 - B. an Employee, whether before or after the birth of the Child, gives notice in accordance with subclause 50.6 of the taking of a period of unpaid parental leave (**the original leave period**) in relation to the Child,

then the Employee may agree with their Employer that the Employee will not take unpaid parental leave for a period (**the permitted work period**) while the Child remains in hospital.
 - (ii) If the Employee and Employer so agree, then the following rules have effect:
 - A. the Employee is taken to not be taking unpaid parental leave during the permitted work period;
 - B. the permitted work period does not break the continuity of the original leave period; and
 - C. the Employee is taken to have advised the Employer, for the purposes of subclause 50.6(b) of an end date for the original leave period that is the date on which that period would end if it were extended by a period equal to the permitted work period.
 - (iii) The permitted work period must start after the birth of the Child.
 - (iv) The permitted work period ends at the earliest of the following:
 - A. the time agreed by the Employer and Employee;
 - B. the end of the day of the Child's first discharge from hospital after birth; or
 - C. if the Child dies before being discharged, the end of the day the Child dies.
 - (v) Only one period of may be agreed to under subclause 50.3(h)(i) for which the Employee will not take unpaid parental leave in relation to the Child.
 - (vi) The Employee must, if required by the Employer, give the Employer evidence (including without limitation, a medical certificate) that would satisfy a reasonable person of either or both of the following:
 - A. that subclause 50.3(h)(i)A applies in relation to the child;
 - B. that the Employee is fit for work.

50.4 Short Parental Leave – Unpaid

- (a) This clause applies to an Eligible Employee who is a member of an Employee Couple.
- (b) An Eligible Employee who will not be the Primary Carer of a Child may take up to eight weeks leave concurrently with any parental leave taken by the parent who will be the Primary Carer. Short Parental Leave may be taken in separate periods but, unless the Employer agrees, each period must not be shorter than two weeks.
- (c) The period of Short Parental Leave will be deducted from the period of Long Parental Leave to which the Eligible Employee is entitled under subclause 50.3 (if applicable).

50.5 Paid Parental Leave

- (a) An Eligible Employee commencing parental leave is entitled to paid parental leave on the following basis:
 - (i) from 19 October 2021 and onwards:
 - A. a Primary Carer commencing Long Parental Leave will be entitled to 14 weeks' paid parental leave, provided that the Long Parental Leave is taken contemporaneously with the birth or placement of the Child (subject to clause 50.3(h), in which case the Employee taking Long Parental Leave may agree with the Employer that the Employee will not take Long Parental Leave during the permitted work period while the Child remains hospitalised); and
 - B. a non-Primary Carer commencing Short Parental Leave will be entitled to two weeks' paid parental leave,
save that an Eligible Employee is not entitled to both paid Long Parental Leave and paid Short Parental Leave in respect of the same birth or adoption event.
- (b) Paid parental leave is in addition to any relevant Commonwealth Government paid parental leave scheme (subject to the requirements of any applicable legislation)
- (c) The Employer and Eligible Employee may reach agreement as to how the paid parental leave under this Agreement is paid. For example, such leave may be paid in smaller amounts over a longer period, consecutively or concurrently with any relevant Commonwealth Government parental leave scheme (subject to the requirements of any applicable legislation) and may include a voluntary contribution to superannuation.
- (d) Such agreement must be in writing and signed by the parties. The Eligible Employee must nominate a preferred payment arrangement at least four weeks prior to the expected date of birth or date of placement of the Child. In the absence of agreement, such leave will be paid during the ordinary pay periods corresponding with the period of the leave.
- (e) Subject to clause 47.5(b)(vi) and 47.11 (in the case of long service leave), a variation to the payment of paid parental leave resulting in, for example, the paid leave being spread over more than 14 weeks does not affect the period of continuous service recognised. For example, an Employee taking 28 weeks at half pay will, for the purpose of calculating continuous service, have fourteen weeks of continuous service recognised. An Employee taking seven (7) weeks at double pay will have 14 weeks of continuous service recognised.
- (f) The paid parental leave prescribed by this clause will be concurrent with any relevant unpaid entitlement prescribed by the NES / this Agreement.

- (i) that the Employee will become either the Primary Carer or non-Primary Carer of the Child, as appropriate;
 - (ii) the particulars of any parental leave taken or proposed to be taken or applied for by the Employee's Spouse; and
 - (iii) that for the period of parental leave the Employee will not engage in any conduct inconsistent with their contract of employment.
- (b) Subject to clause 50.6(e) (Notice - Flexible Long Parental Leave), at least four weeks before the intended commencement of parental leave, the Employee must confirm in writing the intended start and end dates of the parental leave, or advise the Employer of any changes to the notice provided in subclause 50.6(a), unless it is not practicable to do so.
- (c) The Employer may require the Employee to provide evidence which would satisfy a reasonable person of:

 - A. the date of birth, or expected date of birth, of the Child (including without limitation, a medical certificate or certificate from a registered midwife, stating the date of birth or expected date of birth); and
 - B. if relevant, that their Child was stillborn (including without limitation, a certification by a medical practitioner or registered midwife of the child as having been delivered); or
 - (ii) in the case of adoption-related leave, the commencement of the placement (or expected day of placement) of the Child and that the Child will be under 16 years of age as at the day of placement or expected day of placement.
- (d) An Employee will not be in breach of this clause if failure to give the stipulated notice is occasioned by the birth of the Child or placement occurring earlier than the expected date or in other compelling circumstances. In these circumstances the notice and evidence requirements of this clause should be provided as soon as reasonably practicable.
- (e) **Notice requirements – Flexible Long Parental Leave**
- (i) If an Employee wishes to take Flexible Long Parental Leave, the Employee must give notice to the Employer as follows:
 - A. where the Employee also takes unpaid Long Parental Leave or Short Parental Leave under subclauses 50.3 or 50.4 (*the original leave*):
 - 1) at the same time as the Employee gives notice in accordance with subclause 50.6(a) in relation to the original leave, unless subclause 2) below applies; or
 - 2) if the Employee takes more than one period of unpaid Short Parental Leave, at the same time as the Employee gives notice in accordance with subclause 50.6(a) in relation to the first of those periods of leave; or
 - B. otherwise - at least 10 weeks before starting the Flexible Long Parental Leave.
 - (ii) If the Employer agrees, the notice may be given at a later time than that specified in subclause 50.6(e)(i).

- (iii) The notice under subclause 50.6(e)(i) must specify the total number of days (**Flexible Days**) of Flexible Long Parental Leave that the Employee intends to take in relation to the Child.
- (iv) If the Employer agrees, the Employee may:
 - A. reduce the number of flexible days, including by reducing the number of flexible days to zero; or
 - B. increase the number of flexible days, but not so as to increase the number of flexible days above 30.
- (v) The Employee must give the Employer written notice of a flexible day on which the Employee will take Flexible Long Parental Leave:
 - A. at least 4 weeks before that day; or
 - B. if that is not practicable, as soon as practicable (which may be a time after the leave has started).
- (vi) If the Employer agrees, the Employee may change a day on which the Employee takes Flexible Long Parental Leave from a day specified in a notice under subsection 50.6(e)(v).

 - (i) Where a pregnant Eligible Employee continues to work during the six week period immediately prior to the expected date of birth, the Employer may require the Eligible Employee to provide a medical certificate stating that she is fit for work and, if so, whether it is inadvisable for her to continue in her present position because of illness or risks arising out of the Eligible Employee's pregnancy or hazards connected with the position.
 - (ii) Where a request is made under subclause 50.7(b)(i) and an Eligible Employee:
 - A. does not provide the Employer with the requested certificate within seven days of the request; or
 - B. within seven days after the request, the Eligible Employee gives the Employer a medical certificate stating that the Eligible Employee is not fit for work;
 the Employer may require the Eligible Employee to commence their parental leave as soon as practicable.
- (c) Where a request is made under subclause 50.7(b)(i) and an Eligible Employee provides a medical certificate that states that the Eligible Employee is fit for work but it is inadvisable for the Eligible Employee to continue in her present position during a stated period, subclause 50.14 (Transfer to a safe job) will apply.

50.8 Unpaid pre-adoption leave

Employees' entitlement to pre-adoption leave is set out at clause 48(Pre-adoption leave).

50.9 Where placement does not proceed or continue

- (a) Where the placement of the Child for adoption with an Eligible Employee does not proceed or continue, the Eligible Employee must notify the Employer immediately.
- (b) Where the Eligible Employee had, at the time, started a period of adoption-related leave in relation to the placement, the Eligible Employee's entitlement to adoption-

related leave is not affected, except where the Employer gives written notice under subclause 50.9(c).

- (c) The Employer may give the Eligible Employee written notice that, from a stated day no earlier than four weeks after the day the notice is given, any untaken long adoption-related leave is cancelled with effect from that day.
- (d) Where the Eligible Employee wishes to return to work due to a placement not proceeding or continuing, the Employer must nominate a time not exceeding four weeks from receipt of notification for the Eligible Employee's return to work.

50.10 Special maternity leave

(a) Entitlement to unpaid special birth-related leave

- (i) A female Eligible Employee is entitled to a period of unpaid special leave if she is not fit for work during that period because:
 - A. she has a pregnancy-related illness; or
 - B. all of the following apply:
 - 1) she has been pregnant; and
 - 2) the pregnancy ends after a period of gestation of at least 12 weeks otherwise than by the birth of a living Child or a Stillbirth.
- (ii) A female Eligible Employee who has an entitlement to personal leave may, in part or whole, take personal leave instead of unpaid special leave under this clause.
- (iii) Where the pregnancy ends more than 28 weeks from the expected date of birth of the Child, the Eligible Employee is entitled to access any paid and/or unpaid personal leave entitlements in accordance with the relevant personal leave provisions.

(b) Entitlement to paid special birth-related leave

- (i) A female Eligible Employee is entitled to a period of paid special leave if the pregnancy terminates at or after the completion of 20 weeks' gestation or the Eligible Employee gives birth but the baby subsequently dies.
- (ii) Paid special leave is paid leave not exceeding the amount of paid leave available to Primary Carers under subclause 50.5(a)(i)(plus superannuation).
- (iii) Paid special leave is in addition to any unpaid special leave taken under subclause 50.10(a)(i).
- (iv) Paid leave available to non-Primary Carers under subclause 50.5(a)(i) will also apply in these circumstances.

(c) Evidence

If an Eligible Employee takes leave under this clause the Employer may require the Eligible Employee to provide evidence that would satisfy a reasonable person of the matters referred to in subclause 50.10(a)(i) or 50.10(b)(i) or to provide a certificate from a registered medical practitioner. The Eligible Employee must give notice to the Employer as soon as practicable, advising the Employer of the period or the expected period of the leave under this provision.

50.11 Variation of period of unpaid parental leave (up to 12 months)

- (a) Where an Eligible Employee has:
 - (i) given notice of the taking of a period of Long Parental Leave under subclause 50.3; and

- (iii) commenced the period of Long Parental Leave; and
- (iv) not taken a period of Flexible Long Parental Leave,

the Eligible Employee may extend the period of unpaid parental leave (up to the Eligible Employee's available entitlement to Long Parental Leave) by giving their Employer notice in writing of the extension and specifying the new end date for the leave. This one-off extension is to be notified as soon as possible but no less than four weeks before the end date of the original leave period. Nothing in this clause detracts from the basic entitlement in subclause 50.3 (Long Parental Leave – Unpaid) or subclause 50.11 (Variation of period of unpaid parental leave (up to 12 months)).

- (b) If the Employer and Eligible Employee agree, the Eligible Employee may further extend or reduce the period of parental leave.

- (a) An Eligible Employee entitled to Long Parental Leave pursuant to the provisions of subclause 50.3 may request the Employer to allow the Eligible Employee to extend the period of Long Parental Leave by a further continuous period of up to 12 months immediately following the end of the available parental leave.

- (b) **Request to be in writing**

The request must be in writing and must be given to the Employer at least four weeks before the end of the available parental leave period.

- (c) **Response to be in writing**

The Employer must give the Eligible Employee a written response to the request stating whether the Employer grants or refuses the request. The response must be given as soon as practicable, and not later than 21 days, after the request is made.

- (d) **Refusal only on reasonable business grounds**

The Employer may only refuse the request on reasonable business grounds.

- (e) **Reasons for refusal to be specified**

If the Employer refuses the request, the written response must include details of the reasons for the refusal.

The Employer must not refuse the request unless the Employer has given the Eligible Employee a reasonable opportunity to discuss the request.

- (g) **Employee Couples**

Where a member of an Employee Couple is requesting an extension to a period of Long Parental Leave in relation to a Child:

- (i) the request must specify any amount of Long Parental Leave that the other member of the Employee Couple has taken, or will have taken in relation to the Child before the extension starts;
- (ii) if the other member of the Employee Couple has given notice of an intention to take Flexible Long Parental Leave (in accordance with subclause 50.6(e)), the request must specify the number of flexible days that will not have been taken when the period of extended leave commences;
- (iii) the period of extension cannot exceed 12 months, less any period of Long Parental Leave (other than Flexible Long Parental Leave) that the

other member of the Employee Couple has taken, or will have taken, in relation to the Child before the extension starts, as well as a period equal to the other member's Notional Flexible Period (if subparagraph 50.12(g)(ii) applies above); and

- (iv) the amount of Long Parental Leave to which the other member of the Employee Couple is entitled under subclause 50.3 in relation to the Child is reduced by the period of the extension.

(h) **No extension beyond 24 months**

An Eligible Employee is not entitled to extend the period of Long Parental Leave beyond 24 months after the date of birth or day of placement of the Child.

50.13 Parental leave and other entitlements

An Eligible Employee may use any accrued annual leave or long service leave entitlements concurrently with Long Parental Leave, save that taking that leave does not have the effect of extending the period of Long Parental Leave.

50.14 Transfer to a safe job

- (a) Where an Employee is pregnant and provides evidence that would satisfy a reasonable person that she is fit for work but it is inadvisable for the Employee to continue in her present position for a stated period (the risk period) because of:

- (i) illness or risks arising out of the pregnancy, or
- (ii) hazards connected with the position,

the Employee must be transferred to an appropriate safe job if one is available for the risk period, with no other change to the Employee's terms and conditions of employment.

- (b) **Paid no safe job leave**

If:

- (i) subclause 50.14(a) applies to a pregnant Eligible Employee but there is no appropriate safe job available; and
- (ii) the Eligible Employee is entitled to Long Parental Leave; and
- (iii) the Eligible Employee has complied with the notice of intended start and end dates of leave and evidence requirements under subclause 50.6 for taking Long Parental Leave;

then the Eligible Employee is entitled to paid no safe job leave for the risk period.

- (c) If the Eligible Employee takes paid no safe job leave for the risk period, the Employer must pay the Eligible Employee at the Employee's rate of pay set out in Part 1 of the Appendix 2 for the Eligible Employee's ordinary hours of work in the risk period.
- (d) This entitlement to paid no safe job leave is in addition to any other leave entitlement the Eligible Employee may have.
- (e) If an Eligible Employee, during the six week period before the expected date of birth, is on paid no safe job leave, the Employer may request that the Eligible Employee provide a medical certificate within seven (7) days stating whether the Eligible Employee is fit for work.
 - (i) If, the Eligible Employee has either:
 - A. not complied with the request from the Employer under (e) above; or
 - B. provided a medical certificate stating that she is not fit for work; then

the Eligible Employee is not entitled to no safe job leave and the Employer may require the Eligible Employee to take parental leave as soon as practicable.

(f) **Unpaid no safe job leave**

If:

- (i) subclause 50.14(a) applies to a pregnant Employee but there is no appropriate safe job available; and
- (ii) the Employee will not be entitled to Long Parental Leave as at the expected date of birth; and
- (iii) the Employee has given the Employer evidence that would satisfy a reasonable person of the pregnancy if required by the Employer (which may include a requirement to provide a medical certificate),

the Employee is entitled to unpaid no safe job leave for the risk period.

50.15 Returning to work after a period of parental leave

- (a) An Eligible Employee must confirm to the Employer that the Eligible Employee will return to work as scheduled after a period of Long Parental Leave at least four weeks prior to the end of the leave, or where that is not practicable, as soon as practicable.
- (b) An Eligible Employee will be entitled to return:
 - (i) unless subclause 50.15(b)(ii) or subclause 50.15(b)(iii) applies, to the position which they held immediately before proceeding on parental leave;
 - (ii) if the Eligible Employee was promoted or voluntarily transferred to a new position (other than to a safe job pursuant to subclause 50.14), to the new position;
 - (iii) if subclause 50.15(b)(ii) does not apply, and the Eligible Employee began working part-time because of the pregnancy of the Eligible Employee, or their Spouse, to the position held immediately before starting to work part-time.
- (c) Subclause 50.15(b) is not to result in the Eligible Employee being returned to the safe job to which the Eligible Employee was transferred under subclause 50.14. In such circumstances, the Eligible Employee will be entitled to return to the position held immediately before the transfer.
- (d) Where the relevant former position (per subclauses 50.15(b) and 50.15(c) above) no longer exists, an Eligible Employee is entitled to return to an available position for which the Eligible Employee is qualified and suited nearest in status and pay to that of their pre-parental leave position.
- (e) The Employer must not fail to re-engage an Eligible Employee because:
 - (i) the Eligible Employee or Eligible Employee's Spouse is pregnant; or
 - (ii) the Eligible Employee is or has been immediately absent on parental leave.
- (f) The rights of the Employer in relation to engagement and re-engagement of casual Employees are not affected, other than in accordance with this clause
- (g) **Stillbirth or death of child – cancelling leave or returning to work**
 - (i) In the event of a Stillbirth, or if a Child dies during the age of two starting on the child's date of birth, then an Eligible Employee who is entitled to a period of unpaid parental leave in relation to the Child may:
 - A. before the period of leave starts, give their Employer written notice cancelling the leave; or

- B. if the period of leave has started, give their Employer written notice that the Employee wishes to return to work on a specified day (which must be at least 4 weeks after the date on which the Employer receives the notice).
 - (ii) Where notice under subclause 50.15(g)(i) is given, the Employee's entitlement to Long Parental Leave in relation to the Child ends:
 - A. if the action is taken under subclause 50.15(g)(i)A, immediately after the cancellation of the leave; or
 - B. if the action is taken under subclause 50.15(g)(i)B, immediately before the specified day.
 - (iii) This subclause 68.15(g) does not limit subclause 50.11(b) (dealing with the Employee reducing the period of unpaid parental leave with the agreement of the Employer).
- (h) **Employee who ceases to have responsibility for care of Child**
 - (i) This subclause applies to an Employee who has taken unpaid Long Parental Leave in relation to a Child if the Employee ceases to have any responsibility for the care of the Child for a reason other than because:
 - A. of a Stillbirth; or
 - B. the Child dies during the 24-month period starting on the child's date of birth.
 - (ii) The Employer may give the Employee written notice requiring the Employee to return to work on a specified day.

 - (iv) The Employee's entitlement to Long Parental Leave in relation to the Child ends immediately before the specified day.

50.16 Replacement Employees

50.17 Communication during parental leave – organisational change

- (a) Where an Eligible Employee is on parental leave and the Employer proposes a change that will have a significant effect within the meaning of clause 18 (Consultation) of this Agreement on the Eligible Employee's pre-parental leave position, the Employer will comply with the requirements of clause 18 (Consultation) which include but are not limited to providing:
 - (i) information in accordance with subclause 18.4; and
 - (ii) an opportunity for discussions with the Eligible Employee and, where applicable, the Eligible Employee's representative in accordance with subclause 18.6.

- (b) The Eligible Employee will take reasonable steps to inform the Employer about any significant matter that arise whilst the Eligible Employee is taking parental leave that will affect the Eligible Employee's decision regarding the duration of parental leave to be taken, whether the Eligible Employee intends to return to work and whether the Eligible Employee intends to request to return to work on a part-time basis.
- (c) The Eligible Employee will also notify the Employer of changes of address or other contact details which might affect the Employer's capacity to comply with subclause 50.17.

50.18 Keeping in touch days

- (a) This clause does not prevent an Eligible Employee from performing work for the Employer on a keeping in touch day while the Eligible Employee is taking Long Parental Leave. If the Eligible Employee does so, the performance of that work does not break the continuity of the period of Long Parental Leave.
- (b) Any day or part of a day on which the Eligible Employee performs work for the Employer during the period of leave is a keeping in touch day if:
 - (i) the purpose of performing the work is to enable the Eligible Employee to keep in touch with their employment in order to facilitate a return to that employment after the end of the period of leave; and
 - (ii) both the Eligible Employee and Employer consent to the Eligible Employee performing work for the Employer on that day; and
 - (iii) the day is not within:
 - A. if the Eligible Employee suggested or requested that they perform work for the Employer on that day – 14 days after the date of birth, or day of placement, of the Child to which the period of leave relates; or
 - B. otherwise – 42 days after the date of birth, or day of placement, of the Child; and
 - (iv) the Eligible Employee has not already performed work for the Employer or another entity on ten days during the period of leave that were keeping in touch days, subject to (d)(ii) below.
- (c) The Employer must not exert undue influence or undue pressure on an Eligible Employee to consent to a keeping in touch day.
- (d) For the purposes of subclause 50.18(b)(iv) the following will be treated as two separate periods of unpaid parental leave (meaning that an Eligible Employee can work up to ten keeping in touch days during each period of leave):
 - (i) a period of Long Parental Leave taken during the Eligible Employee's available parental leave period under subclause 50.3 (Long Parental Leave – Unpaid) and 50.11 (Variation of periods of unpaid parental leave (up to 12 months)); and
 - (ii) an extension of the period of Long Parental Leave under subclause 50.11 (Right to request an extension of period of unpaid parental leave beyond 12 months).
- (e) Subclause 50.18(a) does not apply in relation to the Eligible Employee on and after the first day on which the Employee takes flexible unpaid parental leave in relation to the Child.

51. Purchased Leave

This clause does not apply to casual Employees.

- 51.1** An Employee may, if mutually agreed with the Employer, purchase up to 4 weeks additional paid leave (referred to as Purchased Leave) in a twelve-month period at ordinary pay.

The additional paid leave is purchased through salary deductions made over the whole year. The amount deducted will correspond with the amount of leave purchased as per the table below:

Purchased leave arrangement	Weeks' additional leave purchased	Proportion of annual pay paid each week
48/52	4	48/52
49/52	3	49/52
50/52	2	50/52
51/52	1	51/52

For Example:

An Employee who purchased four (4) additional weeks leave would be paid 48/52 or 92.31% of the ordinary rate of pay throughout the relevant 12 month period. If an Employee purchased an additional 2 weeks leave, the Employee would be paid 50/52 or 96.15% of the ordinary rate of pay throughout the relevant 12 month period.

- 51.2** All penalties, allowances, loadings or like payments are to be calculated under this Agreement as if the Employee was not participating in the Purchased Leave Arrangement.
- 51.3** An Employee participating in a Purchased Leave Arrangement accrues annual leave on the same basis as they would have had they not entered the Purchased Leave Arrangement, and is paid leave loading or projected penalties/allowances in respect of such leave in accordance with the terms of the agreement. Purchased Leave does not attract annual leave loading or projected penalties/allowances
- 51.4** Purchased Leave may be taken in conjunction with other types of leave.
- 51.5** Purchased Leave must be used in the twelve-month period in which it is purchased.
- 51.6** The Employer may grant Purchased Leave for a twelve (12) month period, subject to operational requirements. Once approval has been granted, the arrangement may only be varied or cancelled in extraordinary circumstances.
- 51.7** Where the:
- (a) arrangement, has been varied or cancelled because of extraordinary circumstances; or
 - (b) Employee's employment terminates; or
 - (c) purchased leave has not been taken in the relevant 12 month period
- the Employer will refund the amount of salary deducted in respect of any unused purchased leave as a lump sum. In the case of variation or cancellation, payment will be made no later than two pay periods following notification of the variation or cancellation.
- 51.8** Where the Employee's employment terminates and the amount of purchased leave taken exceeds the amount deducted, the Employer may deduct, with the consent of the Employee, a sum equal to the negative balance from any remuneration payable to the Employee upon termination of employment.
- 51.9** Where the Employee does not consent to the deduction of monies, the Employer and the Employee will agree to a repayment arrangement. The agreement has to be in writing, and has to set out the following:
- (a) The reason for the repayment

- (b) The amount of money owed
- (c) The way repayments will be made
- (d) How often repayments will be made

53. Rural - Satellite Telephones

To improve safety for rural and other relevant community practitioners, the Employers shall provide access to satellite telephones when required to attend community contacts and mobile coverage is limited.

94.2 Clause 94.1 is subject to the Employer also informing each union of its intention to introduce an enterprise system of make-up time flexibility, and providing a reasonable opportunity for the union(s) to participate in negotiations.

94.3 Once a decision has been taken to introduce an enterprise system of make-up time, in accordance with this clause, its terms must be set out in the time and wages records kept pursuant to *Fair Work Regulations 2009* (Cth).

95. Oncall/Recall (non CATT)

95.1 On-call Allowance

- (a) An Employee may be rostered to be 'on call'
- (b) On call means available to be recalled to duty in that period of time beyond the Employee's rostered hours of duty.
- (c) An Employee rostered to be on-call will be paid the 'on-call allowance' set in Appendix 2 per 12 hour period or part thereof.

95.2 Recall – Return to Workplace

- (a) An Employee recalled to work during an off duty period will be paid overtime for a minimum of three hours pay at the appropriate overtime rate where the work is not continuous with the next succeeding rostered period of duty.
- (b) An Employee recalled to work will not be required to work the full three hours if the work to be performed is completed in a shorter period.
- (c) Subclause 95.2(b) above will not apply when overtime is continuous with the completion or commencement of that Employer's rostered shift.
- (d) The time spent travelling to and from the place of duty will be deemed to be time worked.
- (e) An Employee who is recalled to work outside ordinary rostered hours and who uses their own vehicle for transport from home to place of work and return shall receive the Vehicle Allowance.
- (f) If the Employee finishes any period of recall at a time when reasonable means of transport are not available for the Employee to return to their place of residence the Employer shall provide adequate transport free of cost to the Employee

95.3 Recall – Without Return to Workplace

- (a) Where re-call to duty can be managed without the Employee having to return to their workplace, such as by telephone or computer, the Employee will be paid a minimum of one hour at the appropriate overtime rate for each occasion, provided that multiple recalls within a discrete hour will not attract additional payment.
- (b) Where the Employee is due to commence rostered ordinary hours within 4 hours of the completion of the call, and the cumulative recall work in the 8 hours immediately preceding rostered duty meets the following criteria:
 - (i) has exceeded two hours work (rather than the time paid); or
 - (ii) comprises 3 or more recalls over a period of 4 hours or more;

the Employer will:

 - (iii) not require the Employee to resume or to continue to work without having had 10 consecutive hours off duty without loss of pay for rostered ordinary hours; or
 - (iv) pay the Employee at the rate of double time until released from duty for 10 consecutive hours, without loss of pay for rostered ordinary hours occurring during such absence.

95.4 Four Clear Days

In order to ensure that there are sufficient breaks free from on-call duty, all Employees are to receive 4 clear days per fortnight guaranteed free from on-call duty.

95.5 Alternative 4 clear day arrangements

- (a) A party may propose that all Employees at a particular campus be covered by the following provisions of this clause, and if approved by agreement between the parties, any entitlement to 4 clear days free from on call duty will no longer apply to those Employees and where that Employee is required to perform rostered on-call duty:
 - (i) on days that the Employee is not rostered for duty; and
 - (ii) is rostered for on-call duty for a minimum of two days during four or more four week roster cycle during an anniversary year,
- (b) additional leave (in addition to the additional week's leave under the NES for shiftworkers as defined in this Agreement) will accrue to the Employee, but is not payable for the same bodies of work, in accordance with the table below:

Number 4 week cycles on call	Number of Additional leave days
2	1
4	2
6	3
8	4
10	5

- (c) The additional leave in this clause does not apply to any weekend on which 4 hours or less is worked on call.
- (d) No leave loading is paid on the extra leave in this clause.

96. CATT On-call/ Recall Allowances

- 96.1** Employees engaged for on-call/recall for the provision of a crisis response (CATT-type function), shall be paid an allowance at the rate set out in Schedule 2 for each on call period of 12 hours or part thereof.
- 96.2** The allowance includes payment of work performed of up to one hour's aggregate duration for each on-call period.
- 96.3** For work performed in excess of an aggregate of one hour during an on-call period, payment shall be made at the normal overtime rate paid at the Employee's substantive classification and increment level.
- 96.4** The parties are to regard telephone attendance as recall to duty.
- 96.5** Only one Employee per team each night shall be rostered on-call and in receipt of the allowance. No other team member (other than a psychiatrist) will be required or requested to provide out of hours service for that particular night.
- 96.6** Employees are to receive an uninterrupted break of at least 10 hours between the end of the recall and the next shift. Where the 10 hour break is not observed double time will be paid for all work performed until such break is observed.
- 96.7** An Employer may not require an Employee to be on call for CATT type duties for a period of more than 12 hours.
- 96.8** The on-call/recall allowance for CATT type duties applies to all Employees who are required to perform CATT type duties.
- 96.9** The purpose of the allowance set out in this clause is to compensate Employees for the inconveniences associated with being on-call and performing duty of up to one hour.
- 96.10** Despite clause 96.1, existing arrangements for periods of on-call for CATT type duties below 12 hours that existed prior to 29 September 2001 may continue.

97. 10 Hour break between overtime/recall

- 97.1** When overtime worked (including re-call to duty or a double shift performed) is necessary, it shall, wherever reasonably practicable, be so arranged that Employees have at least 10 hours continuously off duty between the work of successive shifts. An Employee is not to incur any loss of pay for rostered hours not worked during such an absence.
- 97.2** An Employee (other than a casual Employee) who works so much overtime between the termination of her/his last previously rostered ordinary hours of duty and the commencement of her/his next succeeding roster period of duty that she/he would not have had at least 10 hours continuously off duty between those times, shall, subject to this clause, be released after completion of such overtime worked until she/he has had 10 hours continuously off duty without loss of pay for rostered ordinary hours occurring during such an absence.
- 97.3** If, on the instruction of the Employer, an Employee resumes or continues work without having had 10 consecutive hours off duty, that Employee shall be paid at the rate of double time until they have been released from duty for such period and they shall then be entitled to 10 consecutive hours off duty without loss of pay for the rostered hours occurring during such an absence.

98. Rosters

This clause does not apply to casuals and Employees above the level of RPN5

- 98.1** The ordinary hours of duty for full time and part time Employees shall be worked according to a written roster that will:
- (a) be of at least 28 days duration

- (b) be posted at least 28 days before it comes into operation in each work location where it can be readily seen by such Employees and/or other representatives of the Union(s) for the purpose of ensuring compliance with the rostering provisions of this Agreement.

- (c) as far as practicable reflect the roster each Employee will work

Nothing in this clause precludes an Employer issuing the roster or the on-call roster in electronic form.

98.2 Rosters will:

- (a) set out:
 - (i) the Employer's ordinary working hours;
 - (ii) starting and finishing times;
- (b) have a staffing mix that complies with sub-clauses 107.9 and 107.10 if applicable;
- (c) allocate a RPN to be in charge if applicable; and
- (d) not change without at least fourteen days' notice of a change in roster other than in an emergency situation external to the employer, subject to clause 98.3 below:

98.3 Roster Arrangements

- (a) The following rostering principles will apply:
 - (i) Unless by agreement, shift changes shall be avoided during the roster period;
 - (ii) Periods of night shift shall be a minimum of four weeks;
 - (iii) There shall be an equitable allocation of rostered time on and off on weekends and public holidays among all Employees;
- (b) Subject to practicality and service requirements, the Employer will ensure that:
 - (i) Employees will not be rostered for more than six consecutive days or more than four consecutive nights unless otherwise agreed at the initiative and written request of the Employee and then agreed in writing;
 - (ii) single days/nights off will be minimised; and
 - (iii) rostered days off shall be attached to either 2 consecutive days/night off or to a single day/night off.
- (c) The roster shall be drawn up so as to provide at least eight hours off duty between successive ordinary shifts;
- (d) All Employees shall receive at least one clear day off in each week in the case of dayshift Employees and one clear night off in each week in the case of night shift Employees.
- (e) Nothing in this Agreement is intended to disturb local rostering arrangements or arrangements with the Employer.

98.4 Fixed Rosters

- (a) An Employee, by making a written request to the Employer, may have a roster fixed by mutual agreement (subject to the other provisions of this Agreement) in lieu of the provisions of subclauses 98.1 to 98.2 save that:
 - (i) an Employer will not unreasonably refuse a request for a fixed roster agreement where the Employee can demonstrate a regular and systematic pattern of work (as defined below);
 - A. **regular and systematic pattern of work** means working set days or shifts in a demonstrable pattern over the preceding six months (recognising that additional ordinary shifts may be worked around that fixed pattern); but

- B. does not include shifts worked because the Employee who usually works them is on extended leave;
 - (ii) where a fixed roster agreement is made, the Employer will provide the Employee with an amended Letter of Appointment detailing the fixed roster agreement which will be consistent with the **regular and systematic pattern of work described at A and B above**; and
 - (iii) where the Employer proposes to change the Employee's fixed roster agreement, the terms of subclause 18 (Consultation) or clause 19 (Consultation about changes to rosters or hours or work) will apply, depending on the circumstances.
- (b) An Employee may end the fixed roster agreement at any time by giving written notice to the Employer. In such a case the roster for the Employee will be set according to the provisions of subclauses 98.1 to 98.2 above from the commencement of the next full roster period being not less than five clear days after the written notice is received.

98.5 On-Call Rosters

The intent of this subclause is to ensure Employees have a reasonably predictable pattern of work during the on-call roster period. This clause does not apply to casual Employees, DON's or Deputy DON's.

- (a) Planned on-call arrangement means the on-call arrangements the Employer would reasonably expect to be required within the work location at the time the on-call roster is released.
- (b) Planned on-call arrangements for full-time and part-time Employees will be:
 - (i) worked according to a written roster of at least 28 days duration; and
 - (ii) posted at least 28 days before it comes into operation in each work location where it can be readily seen by Employees and representatives of the Employees, including the Union without notice.
- (c) Nothing in this clause prevents an Employer placing an Employee on-call in circumstances where the requirement for the Employee to be rostered on-call was not known at the time the roster was released, save that where this occurs, the allowance at 98.6 applies.
- (d) On-call/recall payments are located at 95 and Schedule 2.

98.6 Change of Roster Allowance

- (a) If the Employer changes an Employee's roster or planned on call roster once set in accordance with subclauses 98.4 or 98.5 (on-call roster), other than as excepted in 98.2(d), the Change of Roster Allowance will apply in relation to each change as follows:
 - (i) 7 days' or less notice, 5 per cent of the Allowance Rate (as defined)
 - (ii) 8 to 14 days' notice, 2.5 per cent of the Allowance Rate (as defined)
- (b) This allowance is not payable to a part-time Employee for an additional shift worked unless the circumstances described in subclause 99 (Supplementary Roster) apply.

98.7 Replacing unplanned absences – bed based services

- (a) **Reasonable effort to replace with permanent employee**
 - (i) In the event a vacancy occurs on the roster arising from an unplanned absence of the rostered employee, a reasonable effort must be made to fill the vacancy with a permanent employee working no less than the same shift length as was rostered.
- (b) In this clause, a **reasonable effort** means:

- (i) contacting nurses who are available including in accordance with the supplementary roster;
 - (ii) if the shift is not filled, seeking to allocate a permanent pool employee (where relevant);
 - (iii) where the shift is not filled, seeking to fill the position via casual bank.
- (c) The Employer will document its attempts to replace the vacancy which must be available for inspection by the Union and local Union representatives upon request.

98.8 Replacing unplanned absences – Community Mental Health Teams

- (a) Employers will have regard to team vacancies, existing workload and the availability of suitable internal employees when considering whether to backfill unplanned vacancies in Community Teams.

Where backfill is not provided, the Employer will consult with Employees and implement measures to mitigate any increase to workload as a result of the backfill not being provided.

98.9 Use of bank or agency staff

Where, after a reasonable effort, the Employer cannot obtain a permanent employee, the rostered shift can be filled by an agency staff member.

98.10 Dispute Resolution

Disputed matters will be resolved in accordance with the dispute settlement procedure of this Agreement.

99. Supplementary Roster

99.1 In addition to the roster under clause 98 (Rosters), the Employer will maintain a supplementary roster.

99.2 If an additional shift is worked:

- (a) under the supplementary roster, it is an 'additional shift worked by agreement' and does not attract the 'change of roster' allowance under clause 98(Rosters).
- (b) not under the supplementary roster, it attracts the 'change of roster' allowance as described at subclause 99.6 below.

99.3 A supplementary roster facilitates additional shifts worked on a voluntary basis. The supplementary roster will:

- (a) display vacant shifts, at a point in time, which Employee can nominate to work; and
- (b) contain a 'stand-by' facility where Employees wishing to work extra shifts can nominate the days / shifts they wish to work should such vacancies arise in the normal roster.

99.4 Vacancies that arise in the normal staffing roster will, as far as possible, be filled through the supplementary roster.

99.5 Nothing in this clause prevents an Employer from operating an electronic supplementary roster, provided it meets the objectives of subclauses 99.2-99.4 above.

99.6 Where vacancies in the normal staffing roster cannot be filled from the supplementary roster, Employees may be requested to work an additional shift (subject to the provisions of this Agreement). If an Employee does work the additional shift as requested they will receive the "change of roster allowance" in Schedule 2 in addition to any other entitlement on each such occasion.

99.7 A contract of employment that requires an Employee be available for extra shifts does not override this provision.

99.8 Overtime remains payable where it would otherwise apply, such as double shifts.

99.9 This clause does not inhibit Employees swapping shifts amongst themselves (subject to operational requirements) in which case no change of roster allowance is payable.

100. Rest and Meal Breaks

100.1 Rest Intervals

At a time suitable to the Employer two rest intervals of 10 minutes each shall be given to all Employees during each day or rostered shift and shall be counted as time worked.

100.2 Meal breaks

Except as provided for in clause 100.2(b) and (c), a meal break of not less than 30 minutes and not more than 60 minutes shall be provided to each Employee during a shift. The meal break shall not be counted as time worked.

- (a) Employees are entitled to leave the ward/unit area during their meal break.
- (b) An Employee unable to take their meal break on an ad hoc basis will be paid for the meal break as time worked at their ordinary rate plus 50%.
- (c) Where Employees are regularly unable to take their meal breaks, a 'crib time' arrangement will operate. The crib time arrangement entitles an Employee to a paid meal interval of not less than twenty minutes to commence between three hours and five hours of duty at a rate equivalent to ordinary hours.

SECTION 2 | PART F: PUBLIC HOLIDAYS, LEAVE AND RELATED MATTERS

101. Annual Leave

This clause does not apply to casual Employees.

101.1 Entitlement to Annual Leave

- (a) An Employee is entitled to 190 hours paid annual leave for each year of service.
- (b) A weekend worker is entitled to a further 38 hours' paid annual leave for each year of service as follows:

- (i) **(Eligibility for Additional Leave)** For the purposes of this clause 101 a "weekend worker" is:

- A. up to 30 June 2022, a full time Employee required to work ordinary hours on weekdays and weekends throughout the year of service. In this case, the pro rata calculation will be based on each month in which the employee is engaged to work ordinary hours on weekends and weekdays; and
- B. on and from 1 July 2022, a full time Employee (or part-time Employee in accordance with subclause 101.2) required to work ordinary hours on at least 10 weekends per year (which, for the purposes of this sub-clause, includes a Sunday night shift). In this case, the pro rata calculation will be based on each week in which the employee is engaged to work ordinary hours on weekends.

save that an Employee required to work ordinary hours on weekends who does not meet the requirements at (A) or (B) will be entitled to the additional leave under this clause on a pro rata basis.

- (ii) **(Accrual Rate)** The further 38 hours' annual leave is credited to a weekend worker as follows:

- A. up to 30 June 2022, at the rate of half a day for each month worked as a weekend worker, up to a maximum of 38 hours; and
- B. on and from 1 July 2022, at the rate of 3.8 hours for each week worked as a weekend worker, up to a maximum of 38 hours.

- (iii) **(Savings provision)** If an Employee is a weekend worker as at 30 June 2022 (or would be a weekend worker but for the operation of an arrangement under clause 65 (Flexible Working Arrangements) or 66 (Individual Flexible Working Arrangements) or an absence from work on parental leave), the calculation under subclause 101.1(b)(i)A. will continue to apply to that Employee after 1 July 2022 unless or until:

- A. the new arrangement applicable on and from 1 July 2022 is more beneficial for the Employee;
- B. the Employee changes Employers;
- C. the Employee requests (and the Employer agrees) to move the Employee from full time to part-time employment other than as part of an arrangement under clause 65 or 66 (e.g. a flexible working arrangement, family violence arrangement or reduced hours on return from parental leave); or
- D. the Employee initiates a change that means they no longer perform weekend work. For example:

- 1) where an Employee requests a change to a different role that does not require the performance of weekend work;
 - 2) where an Employee requests to move from a rotating or similar roster that includes weekends, to fixed shifts that do not include weekend work; or
 - 3) where an Employee (at their request) relocates to a ward with a different system of work (for the removal of doubt, this does not include where an Employee requests to move to a ward with the same general system of work).
- (c) Annual leave accrues progressively during a year of service according to the Employee's ordinary hours of work and accumulates from year to year.
- (d) For the purposes of this clause, a week for a full-time employee equals 38 hours.

101.2 Part time Employees

Annual leave (including the entitlement under subclause 101.1(b)(i)B) will accrue progressively to a part time Employee on a pro rata basis

Examples of how a pro rata accrual will be calculated under clause 101.1(b)(i)B

1. A part time employee who works 16 hours in a week, and works 10 weekends in a year accrues an extra week of annual leave at 16 hours, i.e. a total of 5 weeks at 16 hours per week (80 hours) plus another 16 hours for a total of 96 hours annual leave
2. A part time employee who works 16 hours a week but also works additional ordinary hours from time to time, and works 10 weekends in a year, accrues an extra week of annual leave at their average hours over the accrual period, i.e. a total of 5 weeks at their average hours per week e.g. 24 hours (96 hours) plus another 24 hours for a total of 120 hours annual leave
3. A part time employee who works some weekends, but not 10. Rather than accruing 3.8 hours per occasion to a maximum of 38 hours as a full time employee would, the part time employee is entitled to the pro-rata equivalent of 3.8 hours per occasion - in the case of an employee working or averaging 24 hours per week, that employee would receive 2.4 hours of annual leave per occasion to a maximum of 24 hours additional leave during the accrual period.

101.3 Taking paid annual leave

- (a) Paid annual leave may be taken for a period agreed between an Employee and their Employer.
- (b) The Employer must not unreasonably refuse to agree to a request by the Employee to take paid annual leave.
- (c) Once annual leave is approved, it must not be unilaterally changed by the Employer. Where extraordinary circumstances arise, such that the Employer wishes the Employee to change the timing of their approved leave, any change may only occur through consultation and agreement.
- (d) Where it is likely the leave request will be rejected, the Employer and Employee will consult on alternate leave days within the 10 day period or, in the case of high demand holiday period, the period between the date specified at 85.3(f)(i) and 85.3(f)(iii).
- (e) Where the paid annual leave is for a period other than a high demand holiday period:
 - (i) The Employee will submit a written request for annual leave at least 6 weeks prior to the first day of the proposed leave period/s unless it is not reasonable to do so in the circumstances; and

- (ii) within ten (10) week days of the leave request, the Employer will notify the Employee in writing that their annual leave request is approved or, if not approved, the reasons for the leave not being approved.

(f) **High Demand Holiday Periods**

An employer will develop and publish to affected Employees (which may be a specific ward or work area) requirements for a high demand holiday period. Where this occurs, the requirement must:

- (i) Identify the high demand holiday period;
- (ii) Identify the date by which a written request for annual leave should be submitted; and
- (iii) Identify the date by which the Employer will notify the Employee in writing that their annual leave request is approved or, if not approved, the reasons for the leave not being approved.
- (iv) In determining applications for high-demand periods, the Employer will consider all the circumstances including but not limited to:
 - A. the Employer's operational needs;
 - B. the Employee's family responsibilities; and
 - C. whether previous leave applications for the same high-demand period were or were not successful.

Example – A ward generally receives more applications for annual leave over school term breaks than it can accommodate. This means that school term breaks are 'high demand periods' for that ward within the meaning of this sub clause 101.3(f) and the NUM/MUM must publish the information specified above at 101.3(f)(i) to 101.3(f)(iii) and, when determining the applications, apply the considerations at 101.3(f)(iv).

101.4 Excess annual leave accruals - general provision

- (a) An Employee has an **excess leave accrual** where the Employee has two years or more of annual leave entitlement accrued in accordance with this clause 101.
- (b) If an Employee has an excess leave accrual, the Employer or the Employee may seek to confer with the other and genuinely try to reach agreement on how to reduce or eliminate the excess leave accrual.

'Genuinely trying to reach agreement' will include:

 - (i) providing the Employee a reasonable opportunity to submit a plan to reduce the leave to not less than eight (8) weeks within six months, subject to (ii) below; and
 - (ii) the Employer not unreasonably refusing to agree to a leave reduction plan which includes saving leave for an extended vacation within 12 months of the date of agreement to the leave reduction plan.
- (c) The leave reduction plan is to be in writing and signed by both the Employer and the Employee.

101.5 Excess Annual leave accruals – no agreement reached

(a) **Direction by Employer**

Where the Employer has genuinely tried to reach agreement with an Employee under clause 101.4(b) but agreement is not reached (including because the Employee refuses to confer), the Employer may direct the Employee in writing to take one or more periods of paid annual leave.

However, in directing that the Employee take leave under this subclause 101.5(a):

- (i) the Employee cannot be directed to reduce the accrued leave to less than eight (8) weeks;
 - (ii) the Employer cannot require an Employee to take any period of paid annual leave of less than one week;
 - (iii) the Employer cannot require the Employee to take a period of paid annual leave beginning less than 8 weeks or more than 12 months after the direction is given; and
 - (iv) the direction must not be inconsistent with any leave arrangement agreed by the Employer and Employee.
- (b) **Where the Employer issues a Direction**

Where the Employer issues a direction to the Employee to take paid annual leave in accordance with paragraph (a):

 - (i) the Employee must take paid annual leave in accordance with that direction; and
 - (ii) the Employee may request to take a period of paid annual leave as if the direction had not been given.
- (c) **Request by Employee for Leave**

If the Employee has genuinely tried to reach agreement with the Employer under subclause 101.4(b) but agreement is not reached (including because the Employer refuses to confer) the Employee may give a written notice to the Employer requesting to take one or more periods of paid annual leave.

However, a notice under this subclause 101.5(c):

 - (i) may only be given if the Employee has had an excess leave accrual for more than 6 months at the time of giving the notice;
 - (ii) may only be given if the Employee has not been given a direction under subclause 102.5(a) that, when any other paid annual leave arrangements are taken into account would eliminate the Employee's excess accrual;
 - (iii) must not, if granted, result in the Employee's remaining accrued entitlement to paid annual leave being, at any time, less than 6 weeks when other paid annual leave arrangements are taken into account;
 - (iv) must not provide for the employee to take any period of paid annual leave of less than one week;
 - (v) must not provide for the employee to take a period of paid annual leave beginning less than 8 weeks or more than 12 months, after the notice is given;
 - (vi) must not be inconsistent with any leave arrangement agreed by the Employer and Employee; and
 - (vii) must not be for more than 1 full year's entitlement to annual leave as prescribed by 101.1 and 101.2 above.
- (d) **Where the Employee requests leave by notice**

Where the Employee gives written notice to the Employer to take one or more periods of paid annual leave in accordance with paragraph (c), the Employer must grant paid annual leave requested by the notice under paragraph (c).
- (e) **Disputes regarding excess annual leave**

Without limiting the Dispute Resolution Procedure of the Agreement, either an Employee or Employer (or their representative/s) may refer a dispute about the following matters to the Commission:

- (i) a dispute about whether the Employer or Employee has requested a meeting and genuinely tried to reach agreement;
- (ii) a dispute about whether the Employer has unreasonably refused to agree to a request by the Employee to take paid annual leave;
- (iii) a dispute about whether a direction to take leave complies with the clause; and
- (iv) a dispute about a leave reduction plan referenced in clauses 101.4(b) and (c).

101.6 Short periods of annual leave

Paid annual leave under this clause can be taken in periods less than an Employee's ordinary fortnight (**short period**), including single days in which case any notice period may be waived by agreement.

101.7 Employee not taken to be on paid annual leave at certain times

(a) Public Holidays

See also clause 104 (public holidays)

If an Employee takes paid annual leave during a period that includes a public holiday, the Employee is taken not to be on paid annual leave on that day.

(b) Other Periods of Leave

See also clause 102 (Personal Leave) and 44 (Compassionate Leave)

- (i) An Employee may take other types of leave, such as personal leave or compassionate leave whilst on annual leave. An Employee is taken not to be on paid annual leave whilst on other leave and the Employee's paid annual leave accrual will be amended to reflect this. These provisions do not apply to unpaid parental leave.
- (ii) An Employee taking personal leave whilst on annual leave will provide the Employer with evidence in accordance with clause 102 (Personal Leave).
- (iii) Where an Employee takes other leave during annual leave, any annual leave loading received for a period that is no longer annual leave is taken to have been paid in advance as required in clause 101.8 (Payment for Leave) or may be deducted from any payment required to be made under clause 101.10 (Effect of termination on annual leave).

101.8 Payment for leave

- (a) Employees will receive their ordinary pay and any amount required by clause 101.9 (Annual leave loading or penalties) during periods of annual leave. Ordinary pay for the purposes of this clause means remuneration for the Employee's normal weekly number of hours of work calculated at the ordinary time rate of pay provided that:
 - (i) where an Employee has performed higher duties for an aggregate period of three months or more in a twelve (12) month period, ordinary pay will be adjusted proportionally to reflect the period during which higher duties were performed; and
 - (ii) normal weekly hours for a part time Employee who performs additional shifts will reflect the additional hours worked over the 12 month period.
- (b) Payment for paid annual leave will be in advance for the period of such leave except for a short period (as defined in clause 101.6).

101.9 Annual leave loading or penalties

- (a) In addition to ordinary pay (as defined) an Employee will receive the higher of:

- (i) leave loading of 17.5% calculated on the relevant rate of salary prescribed in Appendix 2, subject to the cap at sub-clause (b), or
 - (ii) the payments listed below which the Employee would have received had the Employee not been on leave, for each week of leave:
 - A. shift allowances (clause 88);
 - B. rates for Saturday, Sunday (clause 87);
 - C. qualification allowance (clause 85);
 - D. uniform allowances (clause 89).
- (b) Leave loading under sub-clause 101.9(a)(i) is payable on:
 - (i) a maximum of 152 hours in respect of any year of employment, and
 - (ii) NUM Year 2.
- (c) The cap under sub-clause 101.9(b)(ii) is to determine which payments the Employee would have received had the Employee not been on leave for the purpose of sub-clause 101.9(a)(ii), this will be done either by:
 - (i) the projected roster, being the roster the Employee would have worked had they not been on leave, or
 - (ii) where there is no projected roster, the rosters for the twelve weeks immediately preceding the leave excluding any period during which the Employee was not on the roster (for example, because of attendance at approved Professional Development or another form of paid leave).

101.10 Effect of termination on annual leave

- (a) Where an Employee's employment ends for any reason, the Employer must pay to the Employee any untaken accrued annual leave. The amount payable to the Employee is the amount the Employee would have received had the Employee taken the leave at the time of termination, including any payment under clause 101.9 (Annual leave loading or penalties).
- (b) If annual leave has been taken in advance and, at the time the employment terminates, the Employee has a negative paid annual leave accrual, the Employer may deduct a sum equal to the negative annual leave accrual (at the amount paid at the time the annual leave was taken in advance) from any remuneration payable to the Employee upon termination of employment.

101.11 Accrued Days Off

- (a) Where the system of work provides for accrued days off, Employees shall work an additional 0.4 hours per day, or 2 hours per week, to facilitate one accrued day off (ADO) after every 4 weeks of service.
- (b) The maximum ADOs shall be 13 in any calendar year, provided that one (1) ADO shall be taken in conjunction with a period of annual leave, for which no additional payment is to be made.
- (c) Accrued days off are to be taken as single days on a rostered basis (i.e. 1 ADO in each 28-day cycle), as agreed between the Employer and Employee provided that the Employer and Employee may mutually agree to defer a rostered ADO for a maximum of one month, but only in exceptional circumstances.

(b) **Terms of agreement must comply with terms**

A written agreement must comply with the following terms:

- (i) paid annual leave must not be cashed out if the cashing out would result in the Employee's remaining accrued entitlement to paid leave being less than one years' accrual of annual leave each cashing out of a particular amount of paid annual leave must be by a separate agreement in writing between the Employer and the Employee; and
 - (ii) the Employee must be paid at least the full amount that would have been payable to the Employee had the Employee taken the leave that the Employee has forgone, including annual leave loading and superannuation to the Employee's nominated Fund; and
 - (iii) an Employee cannot cash out more than 2 weeks paid annual leave in any 12-month period.
- (c) Payments made in accordance with this clause extinguish an Employee's right to access annual leave or receive further payment for the period of annual leave paid out.

101.13 Part-time Employees – cashing out of annual leave where contracted EFT fraction has reduced

A part-time Employee that has reduced their EFT fraction, may request to cash out accrued annual leave in conjunction with taking a period of annual leave so that the total payment for the period is equivalent to the previous EFT fraction. The request and any agreement must comply with the requirements of clause 101.12 above save that:

- (a) the requirement that paid annual leave must not be cashed out if the cashing out would result in the Employee's remaining accrued entitlement to paid leave being less than six weeks calculated using the new EFT fraction; and
- (b) the limit on cashing out no more than 2 weeks annual leave will not apply

- (a) Payment will be made based on the number of ordinary hours the Employee would have worked on the day or days on which the leave was taken.

An Employee may be absent for a single day without evidence of personal illness or injury as required at clause 102.7(c) above, on not more than three occasions per year of service. However, an Employee will not be entitled to this benefit if the Employee fails to notify the Employer pursuant to health service procedure of the single day absence as set out at clause 102.7(f) below.

This provision does not apply where an Employee could not comply because of circumstances beyond the Employee's control.
- (ii) The Employer will inform Employees of the procedure for notification by Employees of their inability to attend work due to illness or injury. All such notifications will be registered, detailing the time of notification and the name of the Employee.

(g) **Failure to provide notice of absence**

Personal leave will not be withheld by an Employer until all reasonable steps have been taken to investigate the Employee's lack of advice as required by clause 102.7(f) regarding the absence from duty. Such an investigation must provide the Employee with an opportunity to give reasons as to why notification was not given.

102.8 Personal Leave used to care for an immediate family or household member (Carers Leave)

(a) **Evidence requirements**

The Employee must, if required by the Employer, establish by production of a Proof of Attendance or statutory declaration or other evidence that would satisfy a reasonable person, that a member of the Employee's immediate family or household has either:

- (b) Continuity of service will be deemed to be unbroken where the period of absence is equal to or less than an Employee's allowable period of absence between an engagement with one employer and another. An absence in excess of the allowable period of absence will operate so as to exclude the Employee from any benefit under this subclause 102.10.
- (c) The Employer may require an Employee to produce a written statement from their previous employing Institution specifying the amount of accumulated personal leave standing to the credit of such Employee at the time of leaving that previous employment.

Positions are likely to be required to undertake duties from a number of work areas, particularly where a nurse is required to work in both unit and program project areas or is required to undertake nursing administration duties/functions in addition to from another of the areas.
- (c) The grouping of duties in the section "typical duties" is not meant to necessarily represent a position in its entirety. In no case should typical duties from this Agreement be used as a definitive duty statement for an individual position.
- (d) No Employer will utilise the full range of work described at every level in the classification standards. The number and level of positions will be determined by the need to undertake certain tasks. Some of the work described in the classification standards (eg. some project duties) may be temporarily assigned to nurses classified at a suitable level where there is not an on-going requirement to perform such tasks, and therefore to create a permanent position. VPS policy and guide lines on the use of temporary positions and secondments will apply.
- (e) Positions may be routinely required to undertake some duties normally expected of positions classified at lower levels in the structure. The basis of classification of all positions will be according to the chief focus of the position and the highest function regularly performed by the incumbent.

114.4 Function of Mental Health nursing

In the practice of Mental Health nursing, the practitioner is required to utilise Mental Health Nursing theory and practices, interpersonal skills and the available environment to assess the biological, psychological and social status of the individual at risk of or from mental ill health. In partnership with the consumer plan, initiate and evaluate interventions to effect therapeutic change towards recovery. The practitioner will work to the principles of recovery, including but not limited to Trauma Informed Care, Supported Decision Making, Family Centred Practice, Person Centred Care, Recovery Oriented practice, human rights, least restrictive practice, responding to diversity and Gender inclusivity

- (a) The holistic approach that is taken to the delivery of service requires the practitioner to treat not only the manifestations of mental ill health but to be aware that such manifestations may result from underlying imbalances in the consumer's physical, emotional, psychological or social state, and to employ strategies designed to redress or attenuate such imbalances and aid in recovery.
- (b) The manifestations of a mental health disorder that RPNs would be required to treat may include some combination of the following:
 - (i) lack of orientation to surroundings, time (hour, day, week, year) or people;
 - (ii) lack of or inappropriate judgment;
 - (iii) disordered perceptions of the environment, such as hearing hallucinatory voices;
 - (iv) fixed delusional beliefs;
 - (v) extreme mood states (eg. deep depression, uncontrollable euphoria, wild rage);
 - (vi) markedly fluctuating moods;
 - (vii) confusion;
 - (viii) socially unacceptable behaviours or practices (eg. disinhibition);
 - (ix) inability to care for self, either physically or hygienically;
 - (x) desire to inflict harm upon self,

- (xi) lack of motivation to become or remain socially active;
 - (xii) dependence on institutionalised care;
 - (xiii) familial crisis;
 - (xiv) absence of social conscience;
 - (xv) physical ailments;
 - (xvi) side effects from medication;
 - (xvii) effects of brain damage or trauma;
 - (xviii) memory disturbances;
 - (xix) panic;
 - (xx) relationship difficulties;
 - (xxi) preoccupation with disordered perceptions (withdrawal);
 - (xxii) inability to communicate in normally accepted ways.
- (c) The above list is not exhaustive, but is intended to give an indication of the range of symptoms that may be encountered in mental ill health.
- Within this conceptual framework, a number of elements underpin the role performed. They may be found to a greater or less extent depending upon the practitioner's experience and position, and are summarised as follows:
- (i) Primary care provider. This element relates to such acts as feeding, bathing, dressing, comforting and supporting consumers, and the setting of limits to behaviours of concern. The ultimate aim is to increase the independence of the consumer, to aid in recovery.
 - (ii) Physical Health Care. This element can be related to the role performed by the RPN in the provision of physical health care. It also equips the practitioner to assess and monitor the physical status of consumers and ensure maintenance of optimal levels of physical health.
 - (iii) Socialising agent. This element of the practitioner's role involves the development of a social relationship with the consumer through participation with the consumer in unstructured activities and contact. The purpose is to develop within the consumer confidence and security in social situations.
 - (iv) Therapist. This element relates to the practitioner's involvement in recognised therapies and recovery orientated principals aimed at the prevention, treatment and rehabilitation of mental ill health. This may require the practitioner to work with a consumer or group of consumers either individually or conjointly with other professionals.
 - (v) Advocate. This element provides a number of facets, which may include advocacy to ensure appropriate service provision to a consumer, advocacy on behalf of a consumer with other agencies or within the mental health services continuum as requested by the consumer. It may involve advocacy in the community generally on behalf of mental health services or the profession of mental health nursing. The nursing practitioner is well placed to be an advocate with the consumer as a result of the detailed knowledge acquired of the consumer's physical, mental or social state, and their environment.
 - (vi) Counsellor/Adviser. This element may involve provision of specific advice to a consumer, other service providers, community groups or government agencies. It can include assistance to consumers in resolving specified problems, providing professional advice to colleagues/services providers (ie. case management, therapeutic

regimes or assistance to agencies in developing, implementing and managing consumer services).

- (vii) **Case Manager** (however titled). Nursing practice is delivered through a systematic approach that involves observation, assessment, planning, implementation and evaluation of strategies and approaches to consumer treatment, rehabilitation, support and maintenance in accordance with principles of recovery. It also may involve management in the traditional sense running a program or group of programs, treatment support and maintenance facilities in order to provide an appropriate therapeutic milieu.
- (viii) **Educator**. This element requires of the practitioner the obligation and responsibility of educating consumers, other service providers, agencies and the community generally regarding the causes of mental illness, its treatment and prevention.

114.5 Unique responsibilities of RPNs

Within mental health settings, the following responsibilities are unique to RPNs

- (a) RPNs have responsibility for the development, maintenance and administration of nursing care plans incorporating the nursing process and providing a therapeutic environment.
- (b) RPNs have the responsibility for initial and overall mental and physical status assessments.
- (c) RPNs have the responsibility for administration of medications, detection of side-effects of medication, taking blood samples and serology.
- (d) RPNs have responsibility for the supervision of nursing students on placement in mental health settings. Training and supervision must ensure adequate standards of practice are communicated to students and that these standards are maintained by students.

114.6 Areas of work

(a) Clinical area

Clinical mental health nursing duties involve the application of practical skills and specialist mental health knowledge associated with professional procedures to achieve a high standard of nursing care or advice in a range of service-based settings. Clinical activities include:

- (i) direct patient care, including the assessment, planning, implementation and evaluation of nursing care;
- (ii) the provision of guidance in clinical matters to less experienced practitioners;
- (iii) research into the clinical nursing function; and
- (iv) the provision of clinical advice and leadership to a clinical service within a recognised nursing specialty on a service-wide or state-wide basis in a specific discipline.

(b) Community area

- (i) Community Mental Health nursing duties involve the application of practical skill and specialist mental health knowledge associated with professional procedures to achieve a high standard of Mental Health Nursing care or advice in a community setting.
- (ii) For a position to be defined as a Community Mental Health Nurse (CMHN), the position must encompass all of the following features:
 - A. the development, maintenance and administration of nursing care plans incorporating the nursing process, in situations

- where the higher level clinical support available to nurses in a hospital setting is often not readily available;

114.7 Training for Mental Health Nursing

- (a) Mental Health Nursing requires the practitioner to have highly developed mental health skills and knowledge. It requires highly developed skills in interpersonal relationships and communication, together with a knowledge of Mental Health Nursing practices, procedures and ethics, anatomy and physiology, law, and pharmacology as it relates to mental illness.

114.8 Qualifications and training required for entry to and promotion within Mental health

- (a) Current registration registered nurse with the NMBA is the minimum qualification for any practising mental health nurse (bed based or community).
- (b) At least two years' experience in a mental health inpatient unit is desirable for nurses entering community nursing. This would equip the nurse with sufficient knowledge and direct experience of a range of mental health conditions, in order to undertake mental status assessments in the community without direct guidance, and to act as a case manager for consumer.
- (c) The possession of further qualifications and/or experience is not mandatory for appointment to positions classified at RPN 2. From 1 July 2005 for appointment to RPN 3 positions it is desirable that an Employee hold a post graduate diploma in psychiatric/mental health nursing or a specialist undergraduate Mental Health Nursing qualification or a specialist post basic course of training which led to registration as a Division 3 Nurse. From 1 July 2005 all appointments to RPN 4 positions or above must have completed either a post graduate diploma in Psychiatric/Mental Health nursing or a specialist undergraduate Mental Health Nursing program or a specialist post basic course of training which led to registration as a Division 3 Nurse.
- (d) The classification of positions within the RPN occupational category will not be on the basis of personal qualifications held or experience gained, but will be established on the basis of the actual work to be performed.
- (e) Administrative tasks performed at RPN 3 and 6 levels generally will be incorporated into positions that also contain tasks that are from other areas (eg. in a position that involves both administrative and clinical work). However, temporary positions performing only administrative tasks are likely to be developed for specific projects for specified time periods.
- (f) The Unit Manager has a direct role that combines both the functions of an expert clinical practitioner and manager of a unit.
- (g) Clinical Manager positions will be in charge of a program that is not unit-based.
- (h) Although at RPN 3 level the roles of Clinician and Associate Nurse Unit Manager are distinct, all RPN 3 level nurses are considered primarily to be advanced practitioners and, from time to time, might be required to assume either of the

roles, according to the needs of the service. Nurses at this level may be required to assume unit or program supervisory responsibility for a span of duty.

114.9 Registered Psychiatric Nurse - work level standards

(a) RPN 2 - Definition
