

HLT43021 Certificate IV in Allied Health Assistance

Course outline: This qualification reflects the role of allied health assistants who provide therapeutic and program related support to persons, in the health, aged care, disability and any other settings where Allied Health Professionals provide services.

Allied Health Assistants work under the delegation and supervision of Allied Health Professionals and assist in identifying circumstances and risks and report issues.

They may be engaged to work in single discipline or multidisciplinary roles not limited to health, aged care or disability services and other settings and may also have responsibility for other allied health assistance workers according to their scope of practice

Course Structure 21 units including 11 core units and 10 elective units

Course delivery: On-the-job workplace-based training and assessment

Core
