12 Month Midwifery Graduate Program Only

Djerriwarrh Health Service (DJHS)

Western Health is currently working with Djerriwarrh Health Service in Bacchus Marsh to offer some of our graduates the opportunity to have a 3 month rotation to Djerriwarrh Health Service. This will give graduate a wonderful opportunity to work with women and their families in a regional centre across the continuum of pregnancy.

Please indicate if you would be interested in a rotation for 3 months to DJHS:

YES

NO

Combined Nursing/Midwifery Program

All nursing rotations based at Sunshine Hospital and Joan Kirner.
